

The Script for Saudi Prayer Week Video

29th of March- 6th of April 2018

The purpose of this video to encourage and remind some of you about the dates of prayers and fasting for the kingdom of Saudi Arabia which will be between the 29th of March to the 6th of April for this year 2018.

The main focus of this week is to pray for The Lord Jesus Christ to touch Saudi Arabia to know and believe in Him. **Pray for the citizens of that nation, the foreigners and immigrants and the Government. Pray for repentance and the recognition of the need for a Lord and savior in their life. That through having a real faith in the True and living God, they will have eternal life.**

Also, **pray for the believers who are originally from there whether they are in the country or overseas** that they will continue enjoying and pursuing God and be part of the body of Christ wherever they are so they will grow in Him and know more of Him. Pray for new and current believers to have peace, humility and genuine caring for other believers of the same nation and also other nations.

Pray that more people will be producing biblical materials to help mature and disciple locals. Pray that this material will have sound doctrine and be clear. Pray for the current groups who are producing materials to be vigilant about their content.

Also, **pray for the Christian workers in the country or overseas who works among Saudi Citizens**, to have unity among themselves, proving how faith in Christ unites every tribe, tongue and nation. Through this unity, nationalism means nothing, and Christ means everything. May the workers forget their earthly identity and pursue identity in Christ, uniting in prayer, worship and witness. May this effort show the local people how to have identity in Christ and unite as brothers and sisters in faith, casting aside their pride of tribal identity, national identity or political and cultural identity.

For the Christians overseas, I would like to encourage you to pray for that Nation and surrounding countries that its borders will open up to the Gospel. Pray for the leaders of the country to soften towards Christianity, pray for hearts to be open to witnesses of the truth. Pray for those who are broken

and outcast in the country. Pray for those in institutions who don't have much opportunity for relationship.

I would love to encourage you to pray for these things and add any other things that you would like to pray for. I know some of you may pray and fast during the month of Ramadan while Muslims do their fasting. However, myself and others choose not to fast during that time as a stand against their false god. And by not participating in that we choose to fast around our remembrance of the death and resurrection of Christ. Our Passover.

May the Lord bless you all. Remember you can pray and fast ANY time. It does not just have to be now.
