All-School Recommended Student Supply List 2018-2019

7th Grade

*Here teachers have provided their recommendations of supplies that they believe will best serve students from the first day throughout the school year. The following, **while not required**, represent examples of what is useful: no particular brand is required to be purchased. Families may work from this list, or they may find it convenient to purchase one [EduKit](#), an assembly of supplies that also helps raise money for the school. **Please also note:** individual teachers may request additional supplies not listed here; if this is the case, you will receive notice from these teachers directly.*
