

New York County Medical Society Parking Review Program

One of the unique services offered to you as a Society member is access to the Society's parking renewal program. The Parking Ticket Review Panel review members' New York City parking tickets to recommend dismissal to the New York City Parking Violations Bureau. Last year, as a result of Society intervention, members saved in parking fines.

In order to take advantage of this valuable membership benefit, you must renew your **"Doctor On Medical Call"** card. Display the card in the windshield of your car with MD plates in order to be eligible for parking ticket dismissal. **The card is renewed at a reasonable price of \$25.00 for a one-year period (The old card expires June 30, 2018; the new card is valid until July 1, 2018 - June 30, 2019).** Some restrictions do apply; you will receive with your new card a sheet describing these as well as the procedure to follow to request that a parking ticket be dismissed (**please read them carefully**).

To order your **"Doctor on Medical Call"** card, send your check for **\$25.00**, made payable to the New York County Medical Society, and this form to: Parking Renewal Program, New York County Medical Society, 261 West 35 Street, Suite 504, New York, New York 10001.
