

On Wednesday, July 4<sup>th</sup>, in a joint program with the Jewish Drop-In Centre, Marilyn Glick entertained 48 attendees by explaining about Rosh Hashanah, Hanukkah, Purim and Passover; and the importance of specific foods associated with those holidays. Marilyn concluded by talking about Shabbat, the importance of its role in Jewish life and demonstrated the braiding of Challah. She fielded numerous questions while everyone sampled Bozena's (Drop-In Centre's resident cook) freshly baked challah and honey cake on their tables. As is common with any Jewish event with food, only crumbs were left on the table.

Special thanks to our speaker, Marilyn Glick; Svetlana Pavlanko, JDIC Executive Director, for arranging the Drop-In Centre and providing Bozena's baking; MC, JAHSENA President Howard Davidow and co-chairs Judy Goldsand and Gillian Horwitz.
