### President's Column

We are now leaving summer and approaching Rosh Hashanah and the start of a new year. Among the many programs to look forward to we have the new series of Learning in Retirement which include Rabbi Mendy Blachman's presentation "Survival of a Nation" discussing the "Six Day War" from a Torah perspective. Other courses in the series are: The Specter Haunting Europe: A History of Socialism by Angeles Espinaco-Virseda; Canadian Art @ 150 by Kathleen Silverman and Broadway Updated by D.T. Baker. Be sure to check out the brochure and sign up for one or more courses. Thanks as always to the Learning in Retirement committee for putting together such an interesting series.

We all are aware of how much Svetlana has done for the Centre in the seven years that she has been our first Executive Director. Through her vibrant personality and a great deal of hard work she has transformed us from a sleepy little Centre to a centre of activity well known and respected throughout the wider Edmonton community. Those of us living in the West End are aware that she is running for a position on the City of Edmonton Council representing Ward 5. As President of the Board I am apolitical, but knowing how gifted Svetlana is I wish her success in her campaign and I know that if elected she will be a wonderful advocate on behalf of the Centre.

Why not have a look at her website for more information: <http://www.svetlanapavlenko.ca>

Let's show the influence and power we seniors have in society by convincing all our friends to vote in the upcoming municipal election!

*Wishing you all a sweet and Happy New Year!*

*Silence Between Two Rivers:  
Perspectives on Inheriting Two Cultures*

**Anna Marie Sewell**, Edmonton's 4th Poet Laureate (2011- 13) is of M'igmaq, Anishinabe and Polish heritage, and this mix of world views informs all her writing and performance work. She has lived and worked in Japan, Mexico and BC, and worked as an artist across Canada, but has called Edmonton home for longer than anywhere else. An award winning poet and multi-disciplinary artist, she is part of the creative team at work on Ancestors & Elders, a Shumka production that begins a dialogue between Slavic and Indigenous communities of Alberta, through the medium of Dance Theatre.

Anna Marie will present a suite of spoken word poetry and song, honouring her ancestors, and speaking of the beauty to be found in the life at the confluence, the many songs to be heard in that space where two rivers come together.

***Unresolved Mystery: 11-21-83***

Tuesday, September 5 at 12p.m.

Former Edmonton Sun news editor Gary Poignant examines the strange unsolved deaths of a young city couple in a book released this summer.

The book, titled 11-21-83, is derived from the chilly Monday in 1983 when the bodies of Murray Sparrow, 21, and his girlfriend, Kathy Gilligan, 20, were found. Murray, a small-time drug dealer, had been stabbed at least 50 times and his body left outside a downtown parkade. Kathy's decomposing body was found fully-clothed in the empty bathtub of the north side apartment she shared with Murray.

The 10-chapter book explores the lives of those affected by the tragedy with a particular emphasis on Murray's mother, Florence.

## Did you miss an exciting event? Sign up for email reminders!

Our members enjoyed some exciting trips over the last few months. We took a tour of Beverly by horse drawn carriage. A great guide and lovely weather made the evening one to remember. No date set yet, but we are looking forward to our next tour with the horse drawn wagon when we will visit yet another part of the Beverly area. Are you coming?

The Highlands area is a wonderful tree lined part of the city with grand homes and people who helped make Edmonton the great place it is today. Bobby Gimby who wrote the theme song for Canada's 100<sup>th</sup> birthday grew up in the Highlands. Two realtors, McGrath and Holgate, built some grand houses and became part of the history of Edmonton. Ada Boulevard is named after McGrath's wife Ada.

This being the 150<sup>th</sup> birthday of Canada we had a tour through the Legislature and a lovely tea at the Haltain Building.

Our picnic was moved from the traditional Sunday to mid-week; from the Laurier Park to Hawrelak Park. The sun was shining: we enjoyed the extra parking, the walking trails and of course the food. Great as always. Why not join us next year.

We have exciting events happening all year round. Don't miss out on the adventures we have planned.
