Subject: **Asbestos Abatement Notification to Staff at Park Ridge Park District—Maine  
Park Leisure Center, 2701 West Sibley Street, Park Ridge, IL 60068  
MEC Project # 17-01-008 PM**

Dear Mr. Wolf;

Please be advised that starting on February 20, 2017, asbestos abatement at the Maine Park Leisure Center will commence.

Midwest Environmental Consulting Services, Inc. (MEC) has been contracted by Park Ridge Park District to provide project management oversight and air monitoring to ensure compliance with all Local, State, and Federal asbestos regulations. MEC will be performing background for the duration of the abatement project to monitor potential airborne fiber concentrations inside and outside the asbestos abatement work area, and clearance air sampling at the completion of the project, as required. All project management and air sampling will be performed by IDPH licensed personnel from MEC.

An Illinois Department of Public Health (IDPH) licensed asbestos abatement contractor will be performing all asbestos abatement activities and will also be utilizing IDPH licensed asbestos abatement workers.

If you have any questions or concerns please feel free to contact me at 630-553-3989.

Best Regards,  
Midwest Environmental Consulting Services, Inc.
