

2017 CCHS Open House Schedule

February 15th 5:30pm-7:30pm

Welcome to Culver City High School! We invite you to visit our classrooms and meet our wonderful teachers. We have a slightly different format this year. On the schedule below you will notice that some teachers are offering presentations & workshops. The presentation topics are noted in the schedule. When the teachers are not presenting you will notice the times they are available for "Meet & Greet". During the "Meet & Greet" time you are welcomed to just stop by.

Open House will begin at 5:30pm in the CCHS Gymnasium with a brief introduction and welcome. Classroom visits will be from 6pm-7:30 pm. ASB will be selling spirit wear by room 16 and various student clubs will be providing information about their clubs and how to join.
