

Dear Sandy,

This weekend our house parents took some children to your Mad Hatters Ball and are still talking about what a great event it was! Thank you for allowing them to attend and showing them such a great time - I saw pictures and it looked like such fun 😊 This was one of those opportunities that truly made an impact and a lasting memory for the kids in our care and I can't thank you enough for sharing this special day with children from A Kid's Place.

Warmly,

Mary Beeg
