***Thank You From The Bottom Of Our Hearts***

Angels Against Abuse, Inc. is a 501(c) 3 non-profit organization with a mission of making a difference in the lives of children and youth who are victims of child abuse and neglect. We provide support monetarily and through hands-on volunteering. We research what the needs are for these children with our constant interaction with our community partners and find the resources to assist with their needs.

Every year the Angels host their only fundraiser called the **Blue-Ribbon Gala** which allows us the opportunity to build awareness in our community regarding child abuse and neglect. It also helps us raise funds that will allow us to sustain the many programs we provide to the children we advocate for 24/7. This year our gala will be held on April 28, 2018 at the St Pete Yacht Club, Grand Ballroom and we need your help!

It is our mission to give these children **HOPE** for a better tomorrow and be the Angels in their lives as needs arise. We have become known as the "quick responders" in our community when it comes to addressing the needs of these children as well as the "connectors" in finding resources quickly when requests come to us.

We are in our 11<sup>th</sup> year of making a difference for the children we serve. It has been not only a huge impact on the children in need, but it has helped to strengthen our community partners. Our ability to accomplish this is only thanks to the individuals, businesses and organizations in our community that have supported us and made our **Blue-Ribbon Gala** a success. Whether it was a donation, a silent auction donation or live auction donation, it has helped us to make a difference. The Angels can only scratch the surface of the many needs that these children and youth have but we are making a difference and lives are being changed. Hopefully someday, we won't need to have fundraisers for this terrible epidemic in our country and child abuse and neglect will be wiped out forever, but until then, we need **YOU** to help us help them!

Thank you for your support and your donation to our mission.

*Sandy*
