

Beer Breakfast 2018 – Early Announcement!!

Posted on [December 12, 2017](#) by [administrator](#)

Our earliest announcement yet on our next [Beer Breakfast](#) event to happen in our little hamlet of St Petersburg, Florida! What began as a lark back in 2002 with 5 friends getting together for a round of beers at o'dark-thirty in the morning has grown into an annual gathering of hundreds of like-minded souls eager to enjoy each others company AND raise money for local charities.

[Angels Against Abuse](#) is a wonderful local 501c3 charity introduced to us by some great friends! They build awareness and educate our community with regard to existing and/or potential neglect and abuse against children; providing support, monetarily and through hands on volunteer hours to neglected and abused children who are removed from an abusive situation or are in danger of removal.

On behalf of Angels Against Abuse, Inc. we want to thank you for hosting this fundraiser for our non-profit organization. It is our mission to make a difference in the lives of the children and youth in our community who are victims of child abuse or neglect and those that are at risk of entering the child welfare system and give them HOPE for a better tomorrow. If it were not for organizations and businesses like yours, the Angels would be unable to sustain the many programs we provide to our community partners and the children and youth we serve. Every dollar we receive directly benefits the children and youth in our community. From the bottom of our hearts, thank you for your support and generosity to our mission.
