LAS VEGAS - On Thursday, April 19, 2017, CAMCO homeowners association management company was purchased by HOA Capital Inc. The transition, which calls for no changes to its current structure or services, will allow CAMCO to continue providing the same high level of service that it has been delivering for 20 years.

Previous owner, Randy Watkins, will be staying with the company in a senior operational management role through the end of the year to aid in the transition.

"I look forward to continuing my day to day interactions with our HOA board members and all of our clients," said Randy Watkins, now Chief Operating Officer for CAMCO. "Everything will be business as usual for our HOA partners and CAMCO will continue to be an HOA board's greatest partner with complete HOA management and continue to be highest rated Home Owners Association Management Company in Southern Nevada."
