

ADVOCACY FOR COMMUNITY IMPACT:

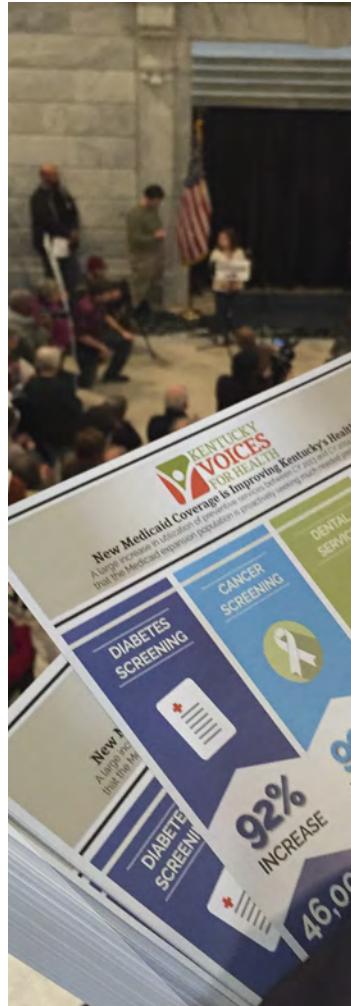

TRAIN-THE-TRAINER WORKSHOP

Strengthening Kentucky's Community Safety Net

This workshop is designed for health advocates, community leaders, nonprofit organizations, frontline service providers, and outreach workers who want to strengthen their advocacy skills and train others to become effective health advocates.

Participants will:

- ✓ Get important updates on Medicaid, KCHIP, SNAP, affordable housing, substance use disorder and mental health services.
- ✓ Understand the core pieces of Kentucky's community safety net and opportunities to strengthen it through good health policy.
- ✓ Receive educational materials and useful tools to share with local community groups.
- ✓ Learn how to help your community ensure a complete count during the 2020 Census.
- ✓ Learn the rules around nonpartisan voter registration and education.
- ✓ Gain nonpartisan advocacy skills to advance health policies in your local community, the Kentucky legislature, and Congress.
