****News from Eckstein's GSA (Gay Straight Alliance):** Last week, March 27-31 was Eckstein's Ally Week. GSA members are committed to supporting the LGBTQ+ community and spreading tolerance and acceptance throughout Eckstein. The GSA dedicated hours of their time after school to making Ally buttons. These buttons were given to students who took the Ally Pledge. The pledge gained over 400 signatures! Those signatures are so

encouraging to our LGBTQ+ student community and reflect an inclusive and tolerant school climate. If your student signed the pledge, ask them what it means to them. Reflecting on what being an Ally means and how they can do it in their own lives is an important part of being an Ally. The Ally Pledge is included below, if you want to read and take the pledge with your student!

The Ally Pledge:

"I pledge to come out as an ally and tell my family and friends that I support equality for LGBTQ students/people. I will speak up against anti-LGBTQ jokes or remarks. I will also demonstrate my support for the LGBTQ community and join in helping the move forward for equality."

RECYCLING EVENT for Japanese: The Japanese language students of Eckstein and Whitman Middle Schools want to thank all the families who participated in the 3/11 Recycling Day. The Eckstein Garden Group will host a monthly weekend work party. The next one is in Sunday, April 30th from 2-4p.m. All families and staff are welcome; no experience or tools required. We will start in the Courtyard Garden near the portable. Contact kanderson98115@outlook.com for more information or to RSVP.

Maker Fest is coming up on Friday, April 28, from 5:30-8:30pm at the Eckstein Library! We need volunteers for this fun night! What is it exactly? Additionally, the Seattle Public Library will be bringing in a robotics kit. Contact the librarian, Erin Sterling (emsterling@seattleschools.org), with any questions on how to attend or volunteer.

Reminder to all visitors to Eckstein Middle School: Please remember that all visitors, volunteers, parents, former students, guests, etc., need to immediately report to the Main Office, sign in, state your business and wear a visitor or volunteer badge each time you visit Eckstein Middle School. This is for the safety and security of our students, staff and visitors according to District and state regulations. Even if you are picking up or meeting your students afterschool, please wait outside or by the Main Office until school is dismissed. We have had several people wandering the school and in order for our security person to make sure we know who you are, we need you to adhere to these requests. Thank you.

Semester 2 After-School Program: The YMCA coordinates all after-school activities and clubs at Eckstein. The programs will be on-site at Eckstein and will run Monday through Thursday from 3:25p.m. – 5:15p.m. Click [HERE](#) to download a registration form and find out more information about what is offered. Questions, contact University Family YMCA at 206-524-1400 or email universityprograms@seattleyymca.org.

Parents & Guardians: Please help us keep students safe by DRIVING SLOWLY AND CAREFULLY around the school. It is NOT SAFE to let your student get out of the car in the “No Stopping” zone on 30th Ave NE or across the street from the school on NE 75th St. There have been some dangerous near-misses in the mornings caused by inattentive drivers or by students dashing across the street mid-block. We urge you to remind your student to always use the crosswalk, not to text while walking and to make eye contact with the driver before crossing in front of a stopped car. We know everyone is scrambling to get to school and work on time in the mornings, but it is not worth risking an accident to gain a few extra minutes!

Update Your School Messenger Settings: The default for School Messenger which includes emails and “robocalls” is to contact all of the phone numbers and emails listed for parents/guardians. If you would like to change this setting to use only one phone number and email please go to:

<https://accounts.relianceco.com/#/createuser> You will need to create a user for each parent/guardian listed who receives phone calls and/or emails.

Taking Students Out of School for Vacations: If you plan to take your student out of school for a reason other than medical please complete a [Preplanned Absence](#) form and turn it into Attendance PRIOR to the absence. Without this form, your student's absence will be marked Unexcused.

After School Junior Jazz Band: This after school program meets every Tuesday and Thursday from 3:25-5:00p.m. in the Band Room. Bring a snack. Permission Forms are in the Room 118. Contact Mr. Escobedo at cuescobedo@seattleschools.org for more information.

Forgotten lunches: Parents/Guardians, please consider depositing \$5 or \$10 in your student's cafeteria lunch account to use in case of a forgotten lunch. With nearly 1,000 students in the school, there are MANY deliveries of forgotten items every day and it can be very disruptive to classes when several forgotten lunches are dropped off for students each morning. We appreciate your support in helping us maintain a distraction-free learning environment.

How to Enter Eckstein's Building: Enter through the door at the NW corner of the building, facing NE 75th Street. All other doors are locked during school hours.

The SOURCE: Parents and guardians with SOURCE accounts can continue to log on with their existing user ID and password. If you are a family new to the SOURCE, there will be a sign-up button on the site and you can follow the steps to create an account. Students will log on with their student username and password. The SOURCE link at the top of all SPS webpages is called "Student Portal". This link will take families and students to a one-stop webpage where they may log onto either the SOURCE or Schoology: <http://www.seattleschools.org/cms/One.aspx?portalId=627&pageId=1166719>.

Schoology is a tool teachers use to post assignments, messages, events and calendar items. Parents and guardians will find their Schoology access code in the SOURCE on the left-hand menu. Students will go to lms.seattleschools.org and click Login as a Student link. Students will login using their student username and password.
