LETTER FROM THE PRINCIPAL

Dear Families,

Did your student come home yesterday in a new t-shirt? Each of our students received a t-shirt at Wednesday's Digital Citizenship and Safety Assembly presented by Google. You can learn more about the '5 Internet Safety Tips' shared with students [HERE](#). And today we ended our Spirit Week with a fun and lively pep assembly. Students played a variety of unique games created by our Leadership Class and we announced the winners of our February grade level attendance competition.

Many families will be heading out of town for mid-winter break, but if you are staying in Seattle, you might look into the many events happening around town in celebration of Black History Month. One of these events is an appearance by Rep. John Lewis, civil rights icon, author and Georgia US House Representative at UW's Meany Theater on 2/23 at 10:30 am. Representative Lewis, co-author Andrew Aydin and artist Nate Powell will discuss their graphic novel series "March." Please note that at the request of Rep. Lewis, the event is FREE, and registration and seating is prioritized for students.

- For more information about the event: <https://events.uw.edu/c/express/4b04d10a-d314-4d01-890a-0e816ee02c4a>
- For more information about the graphic novel "March": https://www.nytimes.com/2016/08/02/books/for-younger-readers-march-revisits-civil-rights-movement-in-visual-detail.html?_r=0

Please set aside time the afternoon or evening of March 22nd for student led conferences. You will receive information about scheduling your student's conference when we return from the break.

Finally, it is already time to start thinking of summer plans! If you have an 8th grade student, be sure to check out the Seattle Schools Skills Center for free summer programs that earn high school credit. For students 14 and older, the Washington State Trails Association offers excellent opportunities for students to do some outdoor work, build character and give back to the community.

Please have a wonderful and safe mid-winter break!

Flu Season is Still in Full Swing: It is not too late to get the Flu Vaccine. Flu vaccine (shots and nasal spray) is available at many healthcare provider offices and pharmacies. You can use <http://flushot.healthmap.org> to help locate it near you. Flu vaccination is the single best way to protect yourself and your loved ones from flu. Health experts recommend flu vaccine for all people 6 months and older, and especially for pregnant women and high-risk persons. Make sure everyone who lives with or cares for a baby younger than 6 months gets vaccinated to protect the baby from getting flu.

You can also take these everyday steps to protect against the flu:

- Wash your hands often with soap and water, or use alcohol-based hand cleaners.
- Avoid touching your eyes, nose, or mouth. Touching these areas spreads germs.

- Avoid close contact with sick people.
- Get plenty of rest.

Help stop the spread of flu, especially to people in high-risk groups:

- Cover your nose and mouth with your sleeve or a tissue when you cough or sneeze.
- Stay home from work and school if you are sick until at least 24 hours after your fever is gone and avoid close contact with others.

Message from the School Nurse: As you may know, many cases of mumps are showing up in King County. Please watch your students closely for signs and symptoms, including: fever, headache, muscle aches, tiredness, loss of appetite, and/or swollen, tender salivary glands under the jaw or in the lower cheeks. If you notice these in your student, please contact their health care provider immediately. Fortunately, students who have been vaccinated are far less likely to get mumps, and if they do, are less likely to have a severe case. Please ensure that your student has been thoroughly vaccinated. Be advised: there is a possibility that if a case occurs in our school community, students who have not been fully vaccinated may need to be excluded from school for at least 25 days for their own and the community's safety. Thank you for your attention. If you have any questions, please do not hesitate to contact Eckstein nurse Aimee Denver at (206)252-5017 or atdenver@seattleschools.org.

Reminder to all visitors to Eckstein Middle School: Please remember that all visitors, volunteers, parents, former students, guests, etc., need to immediately report to the Main Office, sign in, state your business and wear a visitor or volunteer badge each time you visit Eckstein Middle School. This is for the safety and security of our students, staff and visitors according to District and state regulations. Even if you are picking up or meeting your students afterschool, please wait outside or by the Main Office until school is dismissed. We have had several people wandering the school and in order for our security person to make sure we know who you are, we need you to adhere to these requests. Thank you.

PARENTS: Guiding Good Choices will be offered again this spring! Guiding Good Choices is an Evidenced-Based Program through the University of Washington which guides parents on how to form stronger families, helping teens succeed, assists in opening communication with teens and encourages healthy behaviors in children. The cost is \$30/person or \$45/couple; however scholarships are available. The five classes will begin on Wednesday, March 1 through March 29 from 6:30 – 8:30 PM. Please contact Chris Sogn at 206-252-5048 or crsogn@seattleschools.org to register or for any questions.

Semester 2 After-School Program: The YMCA coordinates all after-school activities and clubs at Eckstein. The programs will be on-site at Eckstein and will run Monday through Thursday from 3:25p.m. – 5:15p.m. Click [HERE](#) to download a registration form and find out more information about what is offered. Forms are due on Friday, January 27, 2017. Forms must be turned in on time to ensure after school transportation. Questions, contact University Family YMCA at 206-524-1400 or email universityprograms@seattleyymca.org.

Parents & Guardians: Please help us keep students safe by DRIVING SLOWLY AND CAREFULLY around the school. It is NOT SAFE to let your student get out of the car in the “No Stopping” zone on 30th Ave NE or across the street from the school on NE 75th St. There have been some dangerous near-misses in the mornings caused by inattentive drivers or by students dashing across the street mid-block. We urge you to remind your student to always use the crosswalk, not to text while walking and to make eye contact with the driver before crossing in front of a stopped car. We know everyone is scrambling to get to school and work on time in the mornings, but it is not worth risking an accident to gain a few extra minutes!

Forgotten lunches: Parents/Guardians, please consider depositing \$5 or \$10 in your student’s cafeteria lunch account to use in case of a forgotten lunch. With nearly 1,000 students in the school, there are MANY deliveries of forgotten items every day and it can be very disruptive to classes when several forgotten lunches are dropped off for students each morning. We appreciate your support in helping us maintain a distraction-free learning environment.

How to Enter Eckstein’s Building: Enter through the door at the NW corner of the building, facing NE 75th Street. All other doors are locked during school hours.
