#### LETTER FROM THE PRINCIPAL

Families,

WHAT A WEEK OF CELEBRATIONS! We had eleven students win prizes at the District Science Fair! ---List names and prizes! Way to go students AND Eckstein Science team!

The Eckstein band finished up the year with a beautiful concert. It is truly an honor to see our students playing with such poise and confidence and hearing how much they have learned since that first school day in September.

We received our Student Climate Survey results and we are so pleased. For the second year in a row, we have grown significantly in all categories, with a significant increase in student perceptions of belonging, engagement and relationships with teachers. We are celebrating this and working to get 100% in all categories, ensuring that each and every student has a positive experience. Toward this end and our work to build student community, next year we will kick off CharacterStrong homeroom curriculum and launch a full Student Leadership program. Once a week, homeroom classrooms will engage community-based activities with a focus on character strengths and community engagement.

We would love you to be part of this work. The Eckstein PTSA does so much to support Eckstein and does even more to engage our community! The PTSA is working on community activities and fundraising in the year ahead and we really need volunteers to serve on our PTSA board. I know we are

all busy, but stepping up in these positions can really make a difference to our kids, so if you can, please do consider! The next PTSA meeting is this Monday at 7:00 PM. There will be a guest speaker talking about making the most of high school.

Finally, my administrative staff, Career Ladder Teachers and I will be out of training Tuesday through Thursday this next week. Ms. Evans, our new House Administrator, Mr. Timmons, retired Eckstein Assistant Principal, and Ruth Medske, Principal of the new Lincoln High School, will be here to hold down the fort. The school will be in GREAT hands! I will be checking email, if you do need to contact me.

\*\*Attention 7th grade students and parents: As listed in the Eckstein Course Catalog: The summer between 7th and 8th grades students are required to read a biography (or autobiography) of an important American figure.

\*Students should choose a biography (or autobiography) of a person who lived in the United States between Colonial times and the Progressive Era (1920's).

\*Students will need to acquire their own books (either through a purchase or from the library).

The book will be the basis for a project at the beginning of eighth grade.

\*\*UPDATED ~ Attention 7th grade parents: The last day to turn in permission slips has been extended to Wednesday, June 13th. After the extended due date all permissions slips will require administrative approval and forms no longer go to the HR teachers, but to the Main Office. Your child has received their permission slip for the end of the year celebration at Lynnwood Bowl and Skate. The cost is \$30.00 this year. There are scholarships available for those who need it. Please make sure that they have signed the front and that YOU have filled out the back and signed it as well. Lunch will be provided. We are looking for chaperones to help us. If you would like to chaperone, please check the box on the permission slip and contact Celeste Hansen in the main office at [crhansen@seattleschools.org](mailto:crhansen@seattleschools.org) Didn't get a form? Click [HERE](#).

\*\*Eckstein PTSA Still Seeking Board Members and Committee Chairs for 2018/19: Are you reading this and thinking I'm too busy, someone else will step up? Well, no one else is stepping up, so I guess it's up to you. Middle school only lasts 3 years - a short time to make a big impact on your child's school. And you don't even need to spend that much time to have a big impact. Each position requires on average 2-3 hours per MONTH. That is only 5-6 minutes a day! We meet once per month at the school on Monday evenings. Remember, the PTSA can't run without you, parents!

Open positions and a brief overview for each include:

Vice President/President Elect: Attend PTSA meetings once per month. Support the PTSA president - 2.5 hours per month. The VP will assume the Presidency in 2019-2020.

Secretary: Take meeting minutes, draft agenda for meetings, record motions - 3 hours per month.

Treasurer: Provide budget updates, process reimbursements and deposits, conduct financial review - 4 hours per month.

Eckstein Annual Campaign Co-Chair: Co-lead the annual fundraising drive for in-class support - 2 hours per month.

Building Leadership Team Parent Rep: Participate in building leadership team meetings and act as a liaison with the PTSA. BLT meetings are held approx. two Thursdays per month after school.

Legislative Chair: Stay updated on current policies and legislation that could affect Eckstein and other public schools. Optional attendance at PTSA conventions to vote on Washington State PTA platforms - 2 hours per month.

Membership Chair: Process the membership applications. This is mostly completed by October and can be done at home!

We'd like to have all positions filled by our June General Meeting (June 11 at 7 p.m. in the Eckstein Library), so we can hit the ground running in the fall. If you have any questions about the roles, commitments, or other ways to get involved - please ask! Contact Gail Joseph at [gailejoseph@gmail.com](mailto:gailejoseph@gmail.com) or text 206-499-6432.

\*\*Yearbook Update: Due to a limited number of yearbooks left to order, we will not be opening up [schoolpay.com](http://schoolpay.com) for yearbooks. The remaining books will be sold by a \$30 check or cash in the main office. Yearbooks will be passed out on Friday, June 15, 2018 during sixth period. Please remind your student that if they lose their yearbook, we cannot replace it.

\*\*Medications for School, Camp and Field Trips: If your child needs any medications, including over the counter medications and supplements, you will need to complete this form. It requires your signature and the signature and directions/orders from a licensed health care professional. This form is required to be completed at the start of each school year. This can often take several school days or even two weeks so doing it early is a great idea rather than waiting till late summer or early fall when doctors' offices are overwhelmed with requests. Some medications are able to be carried by students with the approval of the parent, health care provider and school nurse. All medications must be in an original container. If you have any questions please contact the school nurse at 206-252-5017. Thank you.

Aimée Denver, Eckstein School Nurse

\*\*Nathan Hale New Student & Family Night – Tuesday, June 12, 6:30-8:00pm: Incoming students and families are invited to this night to get acquainted with Nathan Hale's various programs. Be our guest at a FREE pasta dinner in the Commons. Siblings are welcome – bring the whole family! Check out the Activity & Athletic Fair tables. They will include student clubs and activities, coaches & sports, booster groups and involvement opportunities for parents and guardians. Review your student's course selection for 2018-19 - changes and/or corrections can be made to selections. "Raider Gear" (sweatshirts, pants, t-shirts, and much more) will be available for purchase. Attend the "Need to Know Info" presentation to get information about transition to high school

\*\*Garfield Robotics Open House: When: Tuesday, June 12, 4:30-7:30 p.m. Where: Garfield High School, Room 115A. Who: Garfield class of 2022 students who are interested in marketing, social media, business, programming or engineering. Why: Learn about competitive robotics and how you can join our team! If you have any questions, please feel free to email: [contact@garfieldrobotics.com](mailto:contact@garfieldrobotics.com)

\*\*Medication Pick Up at the End of the School Year: Orders for the administration of medication at school are valid for one academic year only. All medications including over the counter require a Medication Authorization Form signed by the parent and health care provider. Medications left at school are not kept from year to year and must be returned to the parent or disposed per district policy. Medications can be picked up in the Eckstein Health Room no later than June 22nd. Any medications not picked up by the last day of school will be destroyed.

\*\*Incoming 6th Grade WEB Day: Mon, Aug 27, 9 am – 12 pm. We are excited to welcome all incoming 6th grade students to Eckstein WEB Day on Monday, August 28th from 9am to noon in the school gym. WEB stands for "Where Everybody Belongs," and this special day is designed to provide the opportunity for students to become familiar with Eckstein, meet their 8th grade student leaders and learn tips for achieving success in middle school. Please sign your student in at 9:00 am in the gym, and encourage

them to wear comfortable clothing for this active day. There is no need to bring school materials or a backpack. WEB Day is not mandatory, but we highly encourage 6th grade students to attend to ensure they have the best start of school possible. Please note that lunch and transportation are not provided on WEB Day. If you have any questions or if your student needs special accommodations, please email Erin Sterling at [emsterling@seattleschools.org](mailto:emsterling@seattleschools.org). We hope to see your student on August 27th!

**\*\*The District's New College and Career Planning Tool for Students: Introducing Naviance, a New College and Career Planning Tool for Students.** Naviance, will be available in the 2018-19 school year for next year's 8-12th graders to support students' personalized journey through high school. The tool will allow students to: research careers & colleges, build a resume, manage timelines and deadlines, search for scholarships and receive information about college visits. Go to

[http://www.seattleschools.org/district/calendars/news/what\\_s\\_new/new\\_college\\_and\\_career\\_planning\\_tool\\_for\\_students](http://www.seattleschools.org/district/calendars/news/what_s_new/new_college_and_career_planning_tool_for_students) for more information.

**\*\*BTA Eckstein Summer 2018 Projects:** This summer, a construction team will be making ADA-compliant accessibility improvements, replacing the existing synthetic turf on the field, restripe and resurface the existing track, and restripe the basketball courts. This project is being paid for through the Building Excellence IV (BEX IV) capital levy, approved by Seattle voters in 2013. For more information click [HERE](#).

**\*\*SPS Communication Survey 2018:** Seattle Public Schools Communications Survey now available online at <https://tinyurl.com/SPS2018English> Other translations available, too. Help the district improve overall communication effectiveness; survey closes June 22, 2018. Paper-based surveys are also available in: Amharic, Chinese, English, Somali, Spanish, Vietnamese. The survey may be completed online or in a paper option (with translations). Paper copies can be returned to the school.

**Camp Orkila Overnight Fieldtrip for Next Year's 8th Graders:** The trip for next school year will be October 10, 11, and 12. The cost of the trip will be \$ 200. Permission slips will be handed out on the first day of school in September and you will have two and a half weeks to return the fieldtrip packet. Eckstein would like to make sure that all eighth graders can go to Camp Orkila, therefore, if you need a scholarship please indicate that on your paperwork when it arrives home. We expect to take approximately 300 students on the trip with 16-18 staff members going. However, to take this trip, we will also need 35-60 parent chaperones. We would ideally like to have 2 parent chaperones to every 10 students in each cabin. If you are interested in volunteering as a chaperone for this trip, please contact Celeste Hansen now at [crhansen@seattleschools.org](mailto:crhansen@seattleschools.org). Your student should have brought home a letter about Orkila, but if not, read the entire letter [HERE](#).

Meeting about constructing Pickleball Courts at Eckstein MS: Monday, June 11, 6:30-7:00 ( Eckstein MS Cafeteria ) prior to PTSA general meeting which starts at 7 pm. A committee of Eckstein parents and community members is being formed to repurpose a damaged, no longer used, tennis court into 4 permanent pickleball courts. Located in the SE corner of Eckstein MS property. Concept drawings are in the display case by auditorium and library. Potential use by PE classes and open play at lunch time and after school. Courts will be open to the general public evenings, weekends, and any official school break. If in support of this idea please come to the 6/11 meeting, and or email [pickleballeckstein@gmail.com](mailto:pickleballeckstein@gmail.com) or visit and like the Facebook page "Pickleball at Eckstein MS (NE Seattle)". If also interested in serving on the committee, a leadership committee of 5-7 people is needed.

Are you missing a cell phone? There are half a dozen orphaned phones living in the main office. Many students come in to the main office once they realize their phone has gone missing and we're able to reunite them with their technology. However, these phones have been left in our care for varying lengths of time, many have been here for months. If your student has had a phone go missing, please email Celeste Hansen, [crhansen@seattleschools.org](mailto:crhansen@seattleschools.org), with a description of the phone (make, model, brand, etc) and any case that might be on it. Any phones that are not claimed by the end of the school year will be recycled in order to protect user privacy. You have until Friday, June 29th, to reclaim your phones. Thank you.

Box Tops! So far the school has earned \$350 this school year from Box Tops. We will turn in one more submission in June, so please continue to send in your Box Tops to the Front Office. Also, feel free to save them up over the summer and turn them in to the office in fall. Thank you so much for all that have been sent in so far! Each one earns Eckstein \$.10. If you are able to take a moment to cut them down to size and make sure they are not expired that is super helpful. Thanks for your support!

Invisalign Retainer Found: If your student is missing their retainer, please come to the Main Office.

Reminder that 8th Grade Cruise Permission Forms were handed out yesterday (5/24). The due date has been extended until Tuesday, June 5. Lost hardcopy? Click [HERE](#) to download another copy of the permission form.

Popcorn ASB Fundraiser Update: Mr. Riedeman and the ASB would like to extend our sincerest apologies for the prolonged wait for the popcorn fundraiser. There have been many difficulties in communicating with the company and making the payment, but I will take full responsibility for not reaching out to others for a helping hand. The order was sent out on 5/12. I received an email the following Friday, saying two of the flavors were seasonal, thus out of stock. Students were given forms to fill out for the missing items, asking for a reimbursement or another flavor. Writing this on Wednesday, I will look at the forms on Thursday to change the order or automatically refund the students who don't respond. The new shipment will be sent out on Friday and can be expected from June 1st-6th. Once again, thank you for your patience. Eckstein will not be partnering with this company next year.

You can find information about expectations in multiple places in the Eckstein Handbook and on the homepage of Eckstein's website <http://ecksteinms.seattleschools.org/>

8th graders – Do you plan to go out for a sport next year? If you will need a copy of your athletic physical to sign up for a high school sport, NOW is the time to do that. There are two ways to request a copy:

- Send an email to Ms. Horton at [rghorton@seattleschools.org](mailto:rghorton@seattleschools.org) with your full name and the sport(s) you played at Eckstein, or
- Leave your name on the clipboard in the main office.

Please allow 48 hours and then pick up the copy in the main office. High schools have very strict deadlines about turning in sports paperwork and Eckstein's main office will be closed in July and will have limited hours in August, so please plan ahead!

Roosevelt HS is getting ready for next school year's athletics! We are getting many incoming 9th graders expressing interest in joining RHS sports.
