- Jr. Jazz:
  - T/Th 4- 5:30: Looking for piano players and trombone players. Kids are recommended to show up as often as they can, but if there are alternate commitments, we can work around that. Jr. jazz is mostly for kids who have played for a year or so and who want to get some experience with jazz.
- Combos- M,T, TH, & F afterschool are some available practice times. Jennifer Dobson is the coordinator and finds gigs for combos. These are optional opportunities for interested kids to organize themselves into small groups for some additional challenge.
- Privately owned instruments- Please be mindful that SPS does not take responsibility for private instruments. Sometimes Mr. E can loan out instruments for school for students who choose to not bring them to school. Instruments can be stored (and locked up) in the band room as well.

- Endangered Instruments Project- there are teachers who come to Eckstein to teach some of the rarer instruments (tuba, French horn). The teachers will do a demo in class and then ask who is interested.
- Drum line- homeroom during Thursdays and Fridays. Will be starting soon.
