****Change ~ 2018 Solo & Ensemble Contest at Eckstein March 31:** *Please make checks payable to Alliance for Education – Band. This event has been rescheduled because of a recently scheduled march on March 24th (March For Our Lives). We know many families may be participating in this march, so we have rescheduled this event.* Signup Deadline is Friday March 16, 2018. Musicians of all abilities in sixth through eighth grade are encouraged to participate in this year's Solo and Ensemble contest, to take place on Saturday, March 31. The event gives students in choir, band, and orchestra an opportunity to play a short piece -- individually or with a group -- before a local professional musician who will encourage students and provide feedback on their performance. All participants will receive a medal and certificate. Students should check with music teachers to learn if incentives are offered to those who participate. Registration closes Friday March 16, 2018. We will try to honor all time requests, but the earlier we receive your application the more likely we can make your time request work! Scholarships are available to cover the entry fee. Students are assigned a performance time, so it is a fairly short time commitment on March 31. Please remind your student to bring a copy of their music for the adjudicator to look at while they are performing. If you have questions, feel free to contact your student's music teacher. Click [HERE](#) for information on the contest, and to download the forms for the [Solo Entry Form](#) or [Ensemble Entry Form](#)

Eckstein ASB Popcorn Fundraiser: Eckstein's ASB council would love your participation in another round of fundraising through Double Good (formerly Popcorn Palace). Your students will adore these delicious popcorn treats, and they are a great snack for guests. We were delighted with the amount of sales made from our See's Candies fundraiser, and would be honored to collect just as many funds, if not more. These sales will be used for field trips, planners, sports teams, student supplies, student financial aid, and so much more. On March 19, your students will come home with a form, which will need to be turned in by April 6, which is the day before Spring Break. These forms will include the list of different popcorn options, along with pricing. We will be picking up the forms on March 23, 30 and April 6. Once the purchase order is created, we expect 1-2 weeks for the shipment, similar to our last fundraiser. The ASB students tried samples of a couple of the flavors and were thoroughly impressed with the treats. We look forward to your support!

Source Accounts: Source accounts parents and guardians set up prior to August 2017 of this year with a username that does NOT match the email address on PowerSchool > Demographics > Student Contact will be DISABLED Saturday, February 3, 2018.

Some parents may still be using these old Source accounts. When you log in, and see an alert, but have not taken action, you will NOT have access to Data Verification Forms or SchoolPay. In this case you will need to provide Eckstein (Sue Wong st Wong@seattleschools.org, Ann Peterson apeterson@seattleschools.org or Julia Detering jrdetering@seattleschools.org) the **same email address for each SPS student in their family** to ensure continued Source access. If the school updates parent/guardian email addresses, the change will take 2 hours to sync with the Source. After waiting 2 hours, the parent/guardian will need to clear the cache on their browser, close their browser, reopen and [set up](#) their Source account with the new email address.

If parents/guardians use a smart phone to view the Source, remember to use a supported browser such as **Chrome** or **Firefox** and the Source URL: <http://ps.seattleschools.org> Do **NOT** install the PowerSchool APP as it does not support SPS customizations.
