## **LETTER FROM THE PRINCIPAL**

Eckstein Families,

It's hard to believe that we are into our seventh week of school and after a beautiful September, the rainy season has finally arrived! As the weather gets darker, we notice that students feel the impact and often have a harder time waking up and get sicker easier. It is really important to make sure that sleep routines are in place and that we are all practicing simple hygiene, such as washing hands and staying home when we are sick. These simple practices, with a healthy diet and exercise can really make a difference.

Please also talk to your student about being careful in the morning and evening as they cross streets and intersections. Believe it or not, sometimes they forget good safety habits! Finally, the end of the quarter is November 9th. This means that students have two and a half weeks to get those test retakes done, get assignments in and ask for help if they need it. Please check in with your student and encourage them to ask for help if they are behind or feeling stressed about getting caught up. We still have time to catch up and get in front of any concerns.

Please come out and support our Eckstein Eagles! This Saturday, **Girl's Varsity Soccer** plays Mercer at Rainier Beach at 2:00 PM and the **Girl's JV Soccer** plays McClure at Ingraham at 2:00 PM. Our five Ultimate Frisbee teams will be playing:

- **Eckstein 8<sup>th</sup> Blue A2** vs JAMS Jaguars A2 – 8:00 AM @ Ingraham – South 1
- Meany Mountain Lions 6<sup>th</sup> vs **Eckstein 6<sup>th</sup> Silver** – 11:00 AM @ Ingraham – South 1
- TOPS 6<sup>th</sup> Grade Team vs **Eckstein 6<sup>th</sup> Black** – 11:00 AM @ Ingraham – North 2
- Madison Bulldogs Gold C vs **Eckstein 7<sup>th</sup> Black C** – 11:00 AM @ Ingraham – South 2
- Mercer MS A vs **Eckstein 8<sup>th</sup> Black A** – 12:30 PM @ Ingraham – North 1

Parents/Guardians, please email digital images to [jrdetering@seattleschools.org](mailto:jrdetering@seattleschools.org) if you want to submit pictures for the yearbook.

## **District News**

**\*\*Potential Bus Service Disruption: Update Oct. 16:** The District is continuing to monitor and have been told that as of today a bus drivers strike has not been called. However, sometimes in situations such as these, districts are given very little warning. We encourage families whose students ride First Student buses to monitor the district's website and check their email daily for any changes to school bus service. We will use the website, email, phone messages and social media to share information about potential bus service impacts. First Student, our contracted school bus provider, has notified the district that the bus drivers may strike. There is no imminent strike date, however, if a strike is held this would mean limited or no yellow bus service.

**\*\*Student Assignment Plan and High School Boundary Open Houses:** Student Assignment Plan and High School Boundary Community Meetings: Five open house meetings are scheduled for families, students and staff about changes to the Student Assignment Plan (SAP) and high school boundaries. District office staff will be available to discuss the 2018-19 SAP, including related updates to special education, school choice, and advanced learning opportunities in high schools. Visitors will also be able to review the proposed high school boundary scenarios.

- Mon., Oct. 23, 6:30 to 8 p.m., Eckstein Middle School, 3003 NE 75th St.
- Thurs., Oct. 26, 6:30 to 8 p.m., Ballard High School, 1418 NW 65th St.
- Mon., Oct. 30, 6:30 to 8 p.m., McClure Middle School, 1915 1st Ave. W.
- Wed., Nov. 8, 6:30 to 8 p.m., Cleveland High School, 5511 15th Ave. S.
- Thurs., Nov. 9, 6:30 to 8 p.m., West Seattle High School, 3000 California Ave. SW

At the end of the month, families and staff will receive an email invitation and survey to provide feedback on the three proposed high school boundary options. New high school boundaries will be implemented in 2019-20. The top three potential scenarios can be found on the [High School Boundary Task Force Recommendations webpage](#). For more background information including a timeline for decisions, visit our [High School Boundary Changes webpage](#).

**FLU SHOTS for Our students and Community!** Please join us and help keep our schools, families and communities healthy and flu free this season! According to the CDC (Centers for Disease Control and Prevention), the single best way to protect you and your family from influenza is to receive a “flu shot” each year. The CDC recommends that EVERYONE, over six months of age, should be vaccinated against the flu.

- Lawton Elementary October 25, 1:30-3:30 p.m.
- Leschi Elementary October 26, 6-7 p.m.

The Clinics are open to all School District faculty, staff, students, and their families (children four years of age and older). Please note that students under the age of 18 will need a Patient Consent Form signed by a parent or guardian. Patient Consent Forms will be available at the clinic. All participants will be asked to provide their health insurance information (card) to receive an immunization. SVNA will electronically bill the insurance plan for your flu shot. They bill almost all insurance plans, but are not able to accept Cigna. Flu shots are considered preventive care and normally are not subject to deductibles or co-pays. Students 18 years and under without current health insurance coverage will be offered a flu shot at no cost. Adults without current insurance coverage may pay the \$30.00 immunization fee for standard Trivalent with cash or check.

**The annual lesbian, gay, bisexual, and transgender (LGBT) Families Dinner** will be held Thursday, November 2nd from 6-8pm at Meany Middle School. ***RSVP by Nov. 1.*** Members of the school board will be there to welcome LGBT families and their friends. All SPS students, families and staff are welcome to attend! This donation-funded event is brought to you by the Health Education Office. Dinner and entertainment will be provided. **\*\*Got cool crafting/robotics/programming supplies around you'd like to donate to the library?** Student have been using the Eckstein Library MakerSpace at lunch and after school. The MakerSpace currently includes materials such as a green screen and iPad, LittleBits electronics kit, 2 Sphero robots, Makey Makey kits, whiteboard tables, and some fun engineering materials. I will be training some students how to use a Cricut printer

and a stop motion animation camera soon! The goal behind the Eckstein MakerSpace is to encourage students to work together and become designers and creators. If you have supplies you'd like to donate, contact the librarian Erin Sterling at [emsterling@seattleschools.org](mailto:emsterling@seattleschools.org) to arrange a time to drop-off. Supplies that would be great to have: Lego boards, Lego blocks, small robotics equipment, scissors that could cut cardboard, Playdoh, LEDs, copper foil tape, Keva structures, K'Nex, electronic/robotics parts such as motors, switches, and batteries, duct tape, painter's tape, craft sticks, conductive fabric, conductive thread, or Velcro.

**\*\*This week, you might start to receive Eckstein Library overdue notices via email.** (You will only receive an email if your student has a book lost or overdue). They are automatically sent out once a week. Note: there are no fees for overdue books. The only fees are for lost books. If your student actually has the lost book at home, have them turn it in for no fee. Occasionally, students are due refunds, which usually appear in emails in parentheses. If another school is listed, that means the book is lost from another school they attended and you will need to contact the librarian at that school to take care of it. Good news this year! Starting October 30th, you will be able to pay lost book fees online via The Source and SchoolPay. Check out instructions here:

<http://www.seattleschools.org/cms/One.aspx?portalId=627&pageId=26506264>. Feel free to contact the librarian Erin Sterling at [emsterling@seattleschools.org](mailto:emsterling@seattleschools.org) with any questions.

**The Eckstein Annual Campaign (EAC)** Ends on October 31st. We are already off to a great start with many generous supporters getting a jump on their giving by returning their cards from the first day packet. Please join them by dropping them off in the front office in the EAC box. Or if you prefer you can donate on the website by following the link [HERE](#). Last year we fell just short of our goal of \$75,000, this year we want to knock it out of the park. Last year's campaign funded many requests to enhance the student experience in the core courses such as math, science, language arts, and social studies. Additionally we were able to fund requests to expand the afterschool athletic programs by adding coaching staff and provide support to elective programs such as music, art and world languages. The Library program continued to be a primary focus with improvements in technology as well as updating the collection. The support from our community helps build the vision of supporting every child at every level, and helping every child succeed. Funds from the EAC directly support the education of our students. Please join us in giving to the Eckstein Annual Campaign this fall, so we can put our dollars to work immediately to support our students! And feel free to pass this on to others who support our school.

**News from the Nurse ~ Tips on Preventing and treating the Flu:** The flu season is upon us and the best way to protect your family is with the annual flu vaccine. It is recommended everyone 6 months of age and older get the seasonal flu vaccine (shot or nasal spray) every year. The flu can spread very quickly in schools, and young children and children with medical conditions such as asthma and diabetes can have serious problems if they get the flu. Take the time to talk to your children about washing their hands often, coughing into their sleeve or tissue, not sharing their personal items (such as chap stick, drinks and food) and keeping their hands out of their mouths, nose and eyes. In addition, please remember: if your child is sick and comes down with a fever, do not send her/him to school. Keep your sick child home for at least 24 hours after the fever goes away. Your child can come back to school after her/his temperature returns to normal for 24 hours without medication. It is very easy to get the Flu vaccine. Most pharmacies offer it. You can check with your insurance provider to see if it is free. For more information, check the CDC website for complete information about the flu, treatments and vaccine safety. <https://www.cdc.gov/flu/pdf/freeresources/updated/a-flu-guide-for-parents.pdf>

**Eckstein Needs Used or New Kitchen Appliances:** Room 125 needs to replace a **classroom electric stove**. The stove is used for afterschool activities. The Eckstein custodians are looking for a new or used working refrigerator. They are not particular about it being 1 or 2-door. Just something with a **refrigerator/freezer**. If you have either, please contact the Head Custodian Uche Aqwu at [upagwu@seattleschools.org](mailto:upagwu@seattleschools.org)

[PE WAIVER 2017-18](#). Students in grade 1-8 are required to participate in an average of at least 100 instructional minutes per school week in PE classes (60) hours per .5 semester credit), unless such participation is waived.
