Tux Shirts – Were available at the meeting. Some still left. Girls can wear the tux shirts, too, if they want. One kid wore a leather kilt in the past. Asked Mr. E first, who said "as long as it's classy", and it was. But too hot.

Roosevelt Jazz Nutcracker is really good this year. Go see them! – STRONGLY encourage folks to go. Bring Grandma!

Monterey almost set. New secretary, so some details being hammered out. Idaho also almost done.

\$2500 donation from Windermere. Thank you!

Vote Tomorrow. Mr. E is telling kids to go up to every adult and ask, "Did you vote?" That's how they can participate and change their world. The current climate is causing a lot of anxiety for kids.
