## **LETTER FROM THE PRINCIPAL**

Happy Friday, Eckstein Families!

Spring is near, and our students all seem to be on the edge of their seats hoping to get outside. We are really looking forward to a break in the rain soon!

There are three more weeks left in the third quarter, and this can be a challenging time for students. Their school work has become more rigorous, they are putting together independent projects, and the student expectations that we taught and practiced in the fall are now being incorporated into each day. Things can be even more challenging for those students who are involved in extracurricular activities, which can be rewarding but also demanding. I encourage you to check in with your student regularly about his or her stress level during this busy time. Remember that even students who appear to handle school and activities easily may need a reassuring word and some assistance with time management to help them deal with feelings of stress and give them a sense of control.

Our goal as a school staff is to ensure that students are engaged and challenged, but still feeling supported, and you can help with this at home, too. Use the student planner or calendar to identify homework time and free time. When you know that there is going to be a busy week or a time-consuming outside event ahead, help your student plan or even ask for a deadline extension in advance, if necessary. If a student is struggling, please talk to a counselor and/or a teacher – we want to help.

And finally, please consider coming out to support the Eckstein girls' and boys' basketball players this Saturday. The boys play at 1 pm at Madison Middle School and the 1st-seeded girls play at 10 am at Denny Middle School, with the championship game at 4 pm if they win. Go Eagles!

**Reminder to all visitors to Eckstein Middle School:** Please remember that all visitors, volunteers, parents, former students, guests, etc., need to immediately report to the Main Office, sign in, state your business and wear a visitor or volunteer badge each time you visit Eckstein Middle School. This is for the safety and security of our students, staff and visitors according to District and state regulations. Even if you are picking up or meeting your students afterschool, please wait outside or by the Main Office until school is dismissed. We have had several people wandering the school and in order for our security person to make sure we know who you are, we need you to adhere to these requests. Thank you.

**Semester 2 After-School Program:** The YMCA coordinates all after-school activities and clubs at Eckstein. The programs will be on-site at Eckstein and will run Monday through Thursday from 3:25p.m. – 5:15p.m. Click [HERE](#) to download a registration form and find out more information about what is offered. Questions, contact University Family YMCA at 206-524-1400 or email [universityprograms@seattleyymca.org](mailto:universityprograms@seattleyymca.org).

**Parents & Guardians:** Please help us keep students safe by DRIVING SLOWLY AND CAREFULLY around the school. It is NOT SAFE to let your student get out of the car in the "No Stopping" zone on 30th Ave NE or across the street from the school on NE 75th St. There have been some dangerous near-misses in the mornings caused by inattentive drivers or by students dashing across the street mid-block. We urge you to remind your student to always use the crosswalk, not to text while walking and to make eye contact with the driver before crossing in front of a stopped car. We know everyone is scrambling to get to school and work on time in the mornings, but it is not worth risking an accident to gain a few extra minutes!

**See Section Below for Information About High School Open Houses**

**Taking Students Out of School for Vacations:** If you plan to take your student out of school for a reason other than medical please complete a [Preplanned Absence](#) form and turn it into Attendance PRIOR to the absence. Without this form, your student’s absence will be marked Unexcused.

**Forgotten lunches:** Parents/Guardians, please consider depositing \$5 or \$10 in your student’s cafeteria lunch account to use in case of a forgotten lunch. With nearly 1,000 students in the school, there are MANY deliveries of forgotten items every day and it can be very disruptive to classes when several forgotten lunches are dropped off for students each morning. We appreciate your support in helping us maintain a distraction-free learning environment.

**How to Enter Eckstein’s Building:** Enter through the door at the NW corner of the building, facing NE 75<sup>th</sup> Street. All other doors are locked during school hours.

**The SOURCE:** Parents and guardians with SOURCE accounts can continue to log on with their existing user ID and password. If you are a family new to the SOURCE, there will be a sign-up button on the site and you can follow the steps to create an account. Students will log on with their student username and password. The SOURCE link at the top of all SPS webpages is called “Student Portal”. This link will take families and students to a one-stop webpage where they may log onto either the SOURCE or Schoology:  
<http://www.seattleschools.org/cms/One.aspx?portalId=627&pageId=1166719>.

**Schoology** is a tool teachers use to post assignments, messages, events and calendar items. Parents and guardians will find their Schoology access code in the SOURCE on the left-hand menu. Students will go to [lms.seattleschools.org](http://lms.seattleschools.org) and click Login as a Student link. Students will login using their student username and password. **Join Boy Scouts with Troop 177!:** Troop 177 supports Eckstein Middle School, and is recruiting boys in 6th-8th grade now! Our troop conducts monthly outdoor activities, such as camping trips, hikes, and canoe trips, and has an annual week-long summer camp. Boy Scouts provides experiences boys can't get elsewhere, and the boy-led program teaches them leadership skills.
