LETTER FROM THE PRINCIPAL

Dear Families and Guardians,

We have five school days left until a well-deserved winter break! Please help students finish strong. Login to the Source to check-in on missing assignments, view Schoology pages and student planners. Use these tools to ask your students specific questions about assignments, long-term projects that need long-term planning and to help them advocate for themselves by talking to/emailing teachers if necessary or asking a counselor, administrator or other trusted person for help. We've got this!

Thank you to all the parents who attended the Principal Coffee Hour this AM and thank you to the PTSA for sponsoring this event! We will do this again in February and I will make sure we advertise it broadly in January. We had a great discussion and this is a wonderful way to ask questions, share ideas and give feedback. Please also plan to attend the next PTSA general meeting on Monday at 7:00 PM. All are invited.

Have a fantastic weekend. Please stay safe and plan ahead if your student will be missing any days prior to winter break.

****2018 Eckstein Snow Sports program:** The Eckstein Snowsports Program (a program of Mohan Skiing and Boarding) is looking for staff and/or parents as adult chaperones for our 6 week Friday night program. We are seeking volunteers for the 2018 Eckstein Snow Sports program.

Do you want to ski or board for free on Friday nights? Well, we have an offer you can't refuse. Help out with the Friday Eckstein Snowsports/Mohan Snow Sports program, and we'll set you up with a date stamped ticket for the Friday you volunteer as a Bus Chaperone or Emergency Driver (does not apply to gear loaders or gear greeters). Without awesome volunteers, this program does not work. Truly - the buses can't leave the school unless there are enough adult chaperones on each bus. So, here's your chance. Sign up. Do it for the kids. We've got lots of positions available, including Bus Chaperones, Emergency Driver helpers, and Gear Gurus.

FYI: Busses will leave Eckstein Middle School at 4:00 PM and return about 11:30PM. Chaperones are expected to be at Eckstein Middle School by 3:30 PM; Emergency Driver(s) may meet at the mountain by 5:30 PM (and do not need to come to Eckstein). Send an email of interest to ecksteinsnowsports@gmail.com And sign up here: <http://www.signupgenius.com/go/4090a49aead2da4f85-eckstein1>

****Online Student Verification Form:** Parents/Guardians – The online Student Verification form is now available for you to review and make changes. To fill out your student's data verification form, please do the following: Log into the Source by going to <https://ps.seattleschools.org/public/> and click on "Data Verification form." If you have multiple students at the district, you will fill out a data verification form for each student. You will be able to make changes through January 5th. The district has indicated that this process replaced the paper data verification forms that used to be sent home at the beginning of each school year. The system is a secure and green process, which allows the district to verify all student demographic, emergency and medical information for your child(ren).

Remember that only one parent per student can fill out the form. Please feel free to contact us at Eckstein if you have any questions. Julia Detering jrdetering@seattleschools.org or Ann Peterson apeterson@seattleschools.org

We are looking for a paid volunteer for lunchtime gym supervision. It would be for both lunches M-F and we would have other projects that we would need help with to make it a two hour-paid volunteer position. If you are interested or have questions, please contact Ann Peterson at Eckstein MS (206) 252-5010 or apeterson@seattleschools.org. Our goal is to have the same person M-F so we can provide some stability/consistency for this lunchtime program. Thank you for your interest. Ms. Sterk, Principal

I will be training some students how to use a Cricut printer and a stop motion animation camera soon! The goal behind the Eckstein MakerSpace is to encourage students to work together and become designers and creators.
