1. Replace the Programmable Logic Controller, Betty Lake Water Treatment Plant, AB (WR172500-66277)

Closing Date: 2017/12/12 02:00:00 PM EST

In accordance with the rules, regulations, statutes, guidelines and the professional associations of the provinces where the project will be carried out, Defence Construction Canada (DCC) is calling for Abbreviated Proposals from firms to provide the necessary services to upgrade the existing Programmable Logic Controller, remote I/O racks, and communications architecture at the Betty Lake Water Treatment Plant at Wainwright Garrison, Alberta.

Information provided by the Proponents will be evaluated using the established criteria in the Request for Abbreviated Proposals. The criteria relate to previous achievements and experience, as well as technical and managerial expertise. The objective of this Request for Abbreviated Proposals is to select the proponent with the highest total score.

The estimated construction cost of this project is in the order of magnitude of \$190,000.00.

Contact Contracting Keshav Sobnath at 613.949.9711 or keshav.sobnath@dcc-cdc.gc.ca for more information.

2. Upgrade Small Arms Trainer (WR173100_CN66417)

Closing Date: 2017/12/13 02:00:00 PM MST

The work includes, but is not necessarily limited to, the supply of labour, material, supervision and equipment necessary to upgrade the electrical and mechanical components to accommodate a new compressed air system for the existing Small Arms Trainer at Wainwright Garrison, Alberta.

The Plans and Specifications (P&S) for this opportunity may be ordered from MERX by logging on their website: www.merx.com or by calling 1 (800) 964-MERX (6379). The P&S are also available for viewing at the Lloydminster and Edmonton Construction Associations.

Amendments to the tender documents should be obtained from MERX AS AMENDMENTS OBTAINED FROM OTHER SOURCES MAY NOT BE THE LATEST.

Bids from bidders whose name does not appear on the official list of bidders who ordered the tender documents, may be declared invalid.
