Washington Ethical Society Presents

The 2017 WES Auction

Preview Catalog

10-21-2017 • 6:00 p.m.

7750 16th St., NW • Washington, DC 20012
WELCOME All Auction Heroes!

The WES Auction is a highlight of our community’s social calendar. We come together to celebrate, to laugh, to share good food and drink, to be entertained, to marvel at the skills and talents of our membership, and to appreciate what we are to each other.

Many of our auction items, our events and outings in particular, are tailored to cultivate and expand upon this conviviality and fellowship by bringing together smaller groups of friends, old and new. That some holiday shopping may also be achieved is no small bonus!

The auction committee would like to thank everyone who generously donated items to be auctioned this year. If you donated an item but you don’t see it listed in the catalog, it may have been incorporated into a basket or it may not have been a good fit for any of this year’s baskets or was duplicative of another item and may be used in next year’s auction. Please be assured that you should itemize all items you donated for tax purposes. Any items we are unable to use will be donated to a charity. If you need a tax receipt for your donation, contact Sarah Morris at se.morris@verizon.net. Many thanks to everyone who made the auction possible through their generosity.

The opportunities afforded by our Auction are indeed many; the greatest of which may be the much-needed financial support of our thriving Community. Raising funds is the primary reason we’re here tonight.

So, lift your glass and your paddle. Bid high and then higher. And enjoy everything the night, and WES, has to offer.

Thank you!
To make the evening go smoothly:

- **No money will be collected on Auction night.** We trust you. You will receive an email next week which will include your invoice and instructions for payment.
- **Please note:** Your invoice email will not come from WES, it will come from Community Auction Services. If you don’t receive an invoice for purchased items the week after the auction, be sure to check your spam filter.
- **Buy It Now:** Most Silent Auction items are available at a “Buy It Now” price. If you must have it and can’t risk losing it, choose Buy It Now!
- At the end of the evening, if you have placed a bid on any silent auction items, return to check whether you won the item(s). Be sure to take home with you every tangible item that you win.
- **All sales are final.** If you win it, you bought it. If you are unable to attend an event, we are unable to refund the cost; you are welcome to make arrangements with someone else to attend in your place.
- If you donated an event, you will receive an email and letter with a list of the individuals who purchased spots at your event. Please contact them a reminder of the event and any necessary details (e.g., home address)

"The Pajama Game" Tickets to the Classic Musical  Quantity: 1
The Sleep-Tite Pajama Factory is a tiptop model of efficiency—so why are things getting so steamy? Hard-ass superintendent Sid Sorokin falls for Babe Williams, the trouble-making head of the union grievance committee. Sparks really start to fly, when a workers’ strike pits management against labor and ignites an outrageous battle of the sexes. Packed with seductive dance numbers like “Steam Heat” and “Hernando’s Hideaway,” the pajama and nightie shenanigans will liven up the hectic holiday season. Two tickets for the performance at Arena's Fichandler Stage, Saturday, December 2, 2:00 PM.

Donor: Eileen Rubinstein & Dan Alemar
Value: $170

Front Row Seats to "The Price" with Hal Linden  Quantity: 1
Starring Hal Linden (“Barney Miller”), Arena's intimate Kogod Cradle stages Arthur Miller's "The Price"—and you can have 2 front row seats! One of Miller's most personal plays, this is a fascinating study of the struggle to make peace with the past and create hope for the future. Everything has a price—even our dreams. Victor Franz has returned home to settle his late father’s estate. In an attic overflowing with memories and furniture he meets the enigmatic Gregory Solomon, a professional appraiser committed to turning a profit off Victor’s past. But before a bargain can be struck, an estranged brother enters the scene to reframe Victor’s memories and force them both to reconsider the true cost of personal sacrifices. At Arena's Kogod Cradle, Saturday, November 4, at 2:00PM.
