CAMPER PICK-UP RELEASE NOTE: A release letter must be signed if someone other than a parent or guardian is picking up a camper. Please send a letter with your camp registration. Parents with last minute changes in transportation may send a release with their child to camp. This release must contain the parent or guardian's signature, the child's name, and printed the name of the person with whom the child has permission to leave the campground.

Mail and Communication Information:

Campers enjoy receiving mail from home! Mail can be sent directly to the camp using the above camp address. Please also state the campers name and which camp your child is attending on the envelope.

Postal service in Craig County is slow. Mail your letters early! Even "overnight" packages mailed in-state can take more than three days to arrive. Please allow plenty of time for mail to travel to camp.

"Care packages" are a nice gesture, but be aware that packages take even longer to deliver than letters and post cards. Also, be aware that campers are not allowed to have snacks in their cabin because food crumbs attract undesired wildlife.

Faxes and e-mails may be faster and more direct, but it takes paper and ink to print emails and faxes. It also takes office staff time to import and print multiple email messages. Please use e-mail and faxes **ONLY TO COMMUNICATE PERTINENT INFORMATION**. **Craig Springs staff will NOT deliver emails or faxes that do not contain pertinent information.**

Phone calls should be made to camp **ONLY** in cases of an emergency. Part of the camping experience is creating a community that is unique and special. Phone calls from home create a break in that community and can also cause home-sickness. Therefore, telephone communication is not permitted during the week unless there are extreme circumstances.
