## 2018 SEASONAL BOAT STORAGE REQUEST

Dear Neighbor,

We are going to be registering all residents' dinghies and kayaks that are to be stored in the boat basin or kayak racks again for the 2018 season. Just like last year, your first kayak or dinghy to be stored in the boat basin will be free; a second family vessel will be charged \$25.00. Please keep it to a maximum of two vessels per family as the boat basin is getting overfilled and we want to ensure that every family has the opportunity to store at least one vessel in the basin. As per previous years, we will be holding a lottery to allocate the spaces on the kayak racks. This year's lottery will be held at the end of June. Every household is eligible for the lottery so get your boat registration forms back to me ASAP at Charlie Cormay, SPIA, Inc., PO Box 494, W. Hyannisport, MA 02672. Each winner will be charged \$25.00 for the use of the rack for the season, which ends October 15, 2018. We are in the process of building a third rack and hope to have it done in time for the lottery. If it is not done on time, we will assign those spaces once the rack is completed. Please fill out the survey on the reverse so we get your thoughts about Seaside Park!

We'll see you soon at Little Beach!
