

## CASUAL DRESS DAY GUIDELINES

### CASUAL DRESS (Whole School)

Occasionally, a casual dress day will be announced.

Students and staff wear...

- hemmed, neat shorts (including athletic shorts), skirts, skorts, dresses or pants (including jeans) of an individual's choosing. Girls' dresses, skirts, and jumpers require compression/athletic shorts or tights/leggings (like the regular, daily dress code); casual day tights and leggings may be any color. Girls may wear leggings alone for their pants provided there is an overgarment (shirt, sweatshirt, shorts) that is mid-thigh in length or longer.
- any short or long sleeved shirt of school-appropriate design, images, and language. (If a student is unsure, he or she should ask at school in advance.)
- athletic shoes and socks for all students (because our daily program still requires P.E., outdoor education, long walks across campus, sitting on the floor, etc.); staff footwear includes a few other options.
- *Clothing inappropriate for school may not be worn.*
