

# SAVE THE DATE *for* FM INTERSECTIONS

February 2<sup>nd</sup>, 2017 @ University of California, Irvine

IFMA Orange County and UCI Extension are proud to host “**FM INTERSECTIONS**”, a Southern California Facility Management Education Event. This one-day educational conference is catered to the unique skills, challenges, and opportunities of the local area **FM** Industry. The Conference will feature:

- Eight (8) Education Sessions
- Lunch Speaker Program
- Facility Tour of new Platinum LEED Building on the UCI Campus

All conference details underscore the professional Facility Management intersections of Imagination, Innovation, Integration, & Initiative.
