“Meet the artists who are redefining the tradition of knit and crochet, bringing yarn out of the house and into the world. Reinventing our relationship with this colorful tradition, YARN weaves together wool graffiti artists, circus performers, and structural designers into a visually-striking look at the women who are making a creative stance while building one of modern art’s hottest trends.”

Benefits for our Sponsors

The Atlanta Knitting Guild mailing list includes 450 people. We currently have 150 paid members. We will be advertising the event in January and February to all yarn, needlepoint, quilt and sewing shops in the upstate. We will provide each with 3x5 cards to have at the registers. In addition, we will advertise to all fiber-oriented craft guilds in the state. Our current target list has 70 names of vendors and guilds representing thousands of potential customers.

This is a great way to reach more customers and sign up new guild members. You will receive a donation letter in response. The Atlanta Knitting Guild is a registered 501c3.
