Dear Parents of Savio PLTW Engineering and Computer Science Students,

Are you interested in getting more involved with the Project Lead the Way (PLTW) Engineering and Computer Science program at Savio?   Great!   Let's brainstorm together as part of the 2016-2017 Savio PLTW Partnership Team (Savio PLTW PT)!!   The PT supports the entire engineering and computer science at Savio. Here are just a _few_ examples of what the Savio PLTW PT does:

·   plan field trips

·   recommend guest speakers (or be a guest speaker!)

·   recommend additional learning and enrichment opportunities (for example: summer internships, summer camps)

·   mentor our senior engineering students in the Engineering Design and Development (EDD) course

·   assist with planning Engineers Week at Savio (February 21-24, 2017)

·   assist with the PLTW Wall of Fame project, honoring students that complete 4 courses of PLTW engineering and/or computer science (Note: Mrs. Kim Maloney is leading this effort)

·   any other ideas to improve our engineering/computer science program

Please consider joining the 2016-2017 Savio PLTW Partnership Team (Savio PLTW PT)!! Parents and non-parents (such as industry leaders) with a computer science/engineering background are welcome to join.   If you know of someone, please forward this email to them and they can contact me (msicich@saviochs.org) for more information.

The Savio PLTW PT meets approximately once per month to brainstorm and work on various projects. Meetings typically last 1 hour.

Please join us at our first informational meeting of the 2016-17 academic year.   Here are the details:

WHAT: First meeting of Savio PLTW Partnership Team

WHEN - DATE: Thursday September 29, 2016

WHEN - TIME: 5:30 - 6:30 PM

WHERE: Savio computer Lab - please enter by side door closest to computer lab – look for signs posted

RSVP: Please let me know if you are attending by emailing me (msicich@saviochs.org)

QUESTIONS?   Email me your questions...or attend this first meeting to find out more!

Thank you in advance!   God Bless!
