Location

The fair takes place on the lower level of the Campus Recreation Center on the main campus of the University of Cincinnati.

The overflow area (Thursday only) is on the 300 level of the Tangeman University Center, the high-traffic student union adjacent to the Rec Center on the main campus of the University of Cincinnati.

Employer Check-In

When you arrive at the Campus Recreation Center, proceed to Employer Check-In on the lower level. Volunteers will help you to your booth location.

Employer Check-In is located on the lower level of the Campus Recreation Center only. If your booth is in the overflow area, you will still check in at the Rec Center, and volunteers will escort you to your space in TUC.

Parking

We have arranged free parking for you in the old Deaconess Hospital parking garage at 2627 Stratford Ave, Cincinnati OH 45220 – entrance on Straight Street – 0.5 mile from the Rec Center. Take a ticket as you enter the garage. Later, as you leave the fair, stop by Employer Check-Out to receive a parking voucher. One voucher will be given per representative per day.

Shuttle Service

Free, dedicated shuttle service will be provided between Deaconess Parking Garage and the Campus Recreation Center/TUC from 8:00am to 4:00pm on Wednesday, September 13, and Thursday, September 14. Shuttle service is
not provided on Friday, September 15. Recruiters attending Interview Day on Friday may park in any campus lot; be sure to ask for a parking voucher when you leave the fair that day.

Materials Drop-Off
You may drop off materials and passengers near the Rec Center before you park. Student volunteers will help carry materials to your booth. The drop-off location is the circle drive at the south end of Woodside Drive. See below for directions.

To the Drop-Off Point at the Campus Recreation Center from any location: Use the Google map at https://goo.gl/maps/je7KTm7jPG62

Food & Beverage
A light breakfast, boxed lunch, coffee, tea, juices, pop, and water will be provided for employer representatives on all three days. Food & beverage will be served in the Campus Recreation Center, and a selection of morning
beverages and boxed lunches will be brought to the overflow space on Thursday.

Internet
Access to the UCGuest wifi network will be provided.
