Awesome Adventures Fiji 2018-19 - General Information

One Coconut grading: Dorm and bures. If you need a hairdryer, these are not for you. They are basic but on a beautiful beach. Usually no hot water but the local water supply is tepid so not really an issue. Meals are included in the price and are generally a set meal at a set time. Usually no air con but fans. Need to bring own towel, soap etc. All are run by Yasawan Fijians who love hosting you and sharing their lives with you the guest.

Two Coconut grading: Dorm and bures. Generally properties we have been involved with from the beginning and who have invested in upgrading to a higher standard of accommodation and amenities but still with a strong Fijian flavour. Always with at least a fan. Have set meals but generally with more variety and more courses and upgrade "treat" options.
