

Turn Markers

Into Energy!

Dear OLG Students, Faculty & Families,

We are excited to tell you about a very special program Girl Scout Troop #45305 is coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle – an amazing new program devised to turn used markers into energy!

All around OLG we will be collecting used markers that are ready to be discarded. The markers will be sent to a facility where they will be converted into clean fuel. This fuel can be used to power vehicles, heat homes, cook meals and more!

Please help support our efforts by sending any used markers you may have around the house – even non-Crayola brands. Drop-off boxes will be located near the front desk.

Thank you in advance for participating! With the help of our OLG community, the Crayola ColorCycle program can keep tons of plastic out of landfills each year.

Remember, don't throw out that used marker—*ColorCycle it!*

Sincerely,

Girl Scout Troop #45305
