INTRODUCTORY BRIDGE LESSONS

I am offering to provide introductory bridge lessons to those members of Christ Lutheran Church and school who would like to either learn to play or who may have learned some time ago and let their skills lapse but would like to get back into playing. I am accredited by the American Bridge Teachers Association. There will be a total of six classes on Saturday mornings from 10am- 12:30pm. The classes will be free and offered to those ages 12 and above. The main requirements are the ability to add and subtract up to 40, the ability to think logically, the ability to maintain focus during the length of the lesson, and a commitment to attend all of the sessions.

There are many benefits of playing bridge for both the young and more advanced in age which include not only a social aspect but also increased attentiveness, improved math ability, teamwork, mental sharpness, and a host of others that accrue to individuals of all ages. The starting date for lessons will be determined by the availability of those wishing to participate. I need to have a final count of those wishing to participate by Monday May 7. I can be reached by email at ejheinrich@hotmail.com or by phone at Home 505-424-2236 or Cell 575-706-1248 if you have any additional questions. If you call, please do not do so before 9AM.
