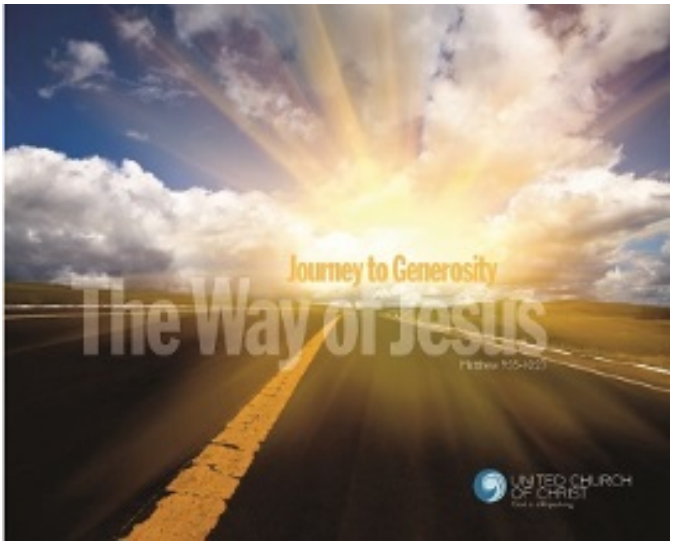
Electronic Giving

A convenient, consistent way to help our church grow



Enjoy the convenience of electronic giving

Electronic giving allows you to make donations to the church on a scheduled, automatic basis. If you are writing checks and preparing envelopes every week, you will especially appreciate electronic giving. It is convenient for you and provides much-needed donation consistency for our church.

For some the idea of not putting something in the offering plate is disconcerting. To relieve this distress we've created "I Give Electronically" cards that you can pick up in the narthex as you enter worship. That way you'll have something to drop in the plate as the usher offers it to you.

If you're someone who is away from church most of the summer, you can set up electronic giving just for that period of time. That way you don't have to think about it and your support of Colonial Park UCC continues in your absence.

If you're someone who makes one yearly contribution to the church, you can sign up for just that one-time gift.

If you are currently living out of town from the church and you want to submit a yearly contribution that will support the ministry & mission of our church you can set up a ONE-Time gift to the church every year on the day you specify. This will help us in two ways…one-we won't need to send you offering envelopes that you won't use and, two- your continued support allows our ministry thrive. Even though you may be away from the church physically, you don't have to be away completely. We hope that you are taking advantage of being part of our Email list so that you can see what's happening around church weekly and looking at our website (www.cpucc.org) where you can see the Worship Service, the Announcements and listen to the weekly Sermon & Special Music, as well as accessing the monthly newsletter. You may also connect with us on FACEBOOK, Twitter, Google+ & Linked In. ***You are important to us and while you may live some distance from us – you are still family!***

While using EFT you may still make occasional gifts to special projects or funds by using the Special Benevolence envelopes available in the pew racks.

How to get started

To set up electronic contributions, complete the authorization form on the back, attach a voided check and return it to the church office in your pledge envelope.
