

The Central Massachusetts Business Environmental Network (CMBEN)

In partnership with the Worcester Regional Chamber of Commerce

Present:

ISO14001:2015 Are you Ready for the Changes?

When:

Tuesday, September 12, 2017, 9:00 – 11:00 A.M.

Where:

Saint-Gobain-Norton Hall, 1 New Bond St, Worcester, Massachusetts

The following are the speakers and the topics they will present on:

- Linda Swift of Capaccio Environmental Engineering, Inc. will speak on changes from ISO 14001:2004 to ISO 14001:2015
- Cristina Mendoza of Capaccio Environmental Engineering, Inc. will speak on specific areas that companies are having a difficulty understanding (e.g., context of the business)
- Pam Eliason of TURI will give a short presentation on how these changes affect the EMS Alternative to traditional TUR Planning

Networking will be from 9:00 to 9:30 and the program will begin after that. To register e-mail Isabelle Lavigne from Irwin Engineers at ilavigne@irwinengineers.com, or call her at (508) 653-8007 ext. 10. Although there is no cost for this meeting, seating is limited so please register soon, and no later than September 8th.

The Central Massachusetts Business Environmental Network (CMBEN) is a network of EHS Managers and other EHS professionals serving industry in Central Massachusetts. We represent some of the region's largest businesses with years of experience in EHS management. Take advantage of this know-how by attending this, and other informative sessions. **The following is the tentative schedule:**

- December 5, 2017 – Hazardous Materials Processing – WRCC
- March 13, 2018 – MassDEP Regulatory Update
- May 8, 2018 – Health and Safety Regulatory Update

If you would like to receive CMBEN e-mails, contact Isabelle Lavigne from Irwin Engineers at ilavigne@irwinengineers.com, or (508) 653-8007 ext. 10, or any of the CMBEN Board Members:
