## Donna Wright, MS, RN

Professional Development Specialist/Consultant  
Creative HealthCare Management

### About the Speaker

Ms. Wright is a professional development specialist with Creative Healthcare Management in Minneapolis, MN. Donna has worked with many health care organizations to help them create meaningful, effective programs that support staff development and competency assessment for all departments. She is the author of the book, "The Ultimate Guide to Competency Assessment in Healthcare," - which has been translated into Japanese and is being used throughout Japan. Her most recent publication is "The Competency Assessment Field Guide." She is also one of the co-authors of the national award winning book, "Relationship-based care: A model for transforming practice."

### Intended Audience:

Nurse Educators, Professional Development Specialists, Preceptors, Nurses, Nurse Managers

### Program Description:

This event will take you on a journey to explore our future as educators and what the demands of the world have in store for us. We will explore technology, change, and transitions, as well as how we will use evidence based-practice in our role as educators. Learn how to use competency assessment, education, and leadership strategies to shape strong teams. Join us for this humorous, creative journey examining the skills every educator need to know to be successful in healthcare... now and into the future.
