## October 2016 Meeting Make n Takes

By: Ronda Wade

This month we're focusing on Christmas cards and how to use them in our business to create new customers and service our existing customers. This is a GREAT time for a Hobbyist to invite people to stamp with her! We are giving you six cards to choose from! I recommend only doing four.

## **Tips:**

I wanted to give you a variety of cards to pick from. So...choose only 4 for your make n takes. Use the ones that have the supplies for or that you think your customers will like. Keep in mind these cards are MEANT to be simple! They are going to be for the training which will go over Stamp a Stacks and Private Christmas Card classes.
