

### Local Admissions Travel

Montessori High School at University Circle admissions officers and student ambassadors travel throughout the Greater Cleveland area to meet prospective students. MHS welcomes students from public, private, and independent schools in addition to our Montessori feeder schools. We encourage prospective families to visit our table at a high school night, attend an open house, or request a personal tour of our campus.

On occasion, officers have also made domestic and international trips. Please call us at 216-421-3033 or email us at [admissions@montessorihighschool.org](mailto:admissions@montessorihighschool.org) for more information on our national and international travel plans or to request a visit.
