

Petition to Overturn *Citizens United* And Stand Up For Democracy

The U.S. Supreme Court in *Citizens United* ruled that corporations can spend as much money as they want promoting or attacking candidates for elected office, and later ruled to undermine the Voting Rights Act. Join the movement to fight big money and protect the right to vote.

Petition: We call upon the U.S. Congress to pass and send to the states a constitutional amendment to overturn the disastrous *Citizens United* Supreme Court ruling, to get big money out of politics and to support voting rights for all Americans. Preserve constitutional rights for people, not corporations.
