

TARGET AUDIENCE

This workshop is designed with youth leaders in mind. We encourage any school/community group that utilizes youth to facilitate, present, mentor and lead their peers in creating positive change in their school and community to attend our workshops. Adult leaders can attend but we encourage bringing youth in order to maximize the leadership experience.

- *Operation Snowball youth leaders/facilitators*
- *Operation Snowball adult coordinators*
- *Any high school youth prevention group*
- *Community Coalitions' Youth Committees*
- *Youth Advisory Committee members*
- *Agencies/Youth delivering prevention grants*

Youth Training

Youth Facilitation Skills: Responding to Crisis Situations

Training Objectives:

- Youth leaders will increase their knowledge of mental health issues, crisis and trauma in a teen's life such as depression, anxiety, etc. Current trends, reducing stigma, and understanding a youth leader's role in responding to peer discussions will be covered.
- Youth leaders will learn communication, facilitation skills and activities to increase their effectiveness in formal and informal settings when discussing crisis situations with their peers.
- Youth leader sponsors (adults) will increase their knowledge of youth leaders roles, responsibilities and skills needed to appropriately address crisis situations.
- Youth leader sponsors (adults) will increase their capacity to lead training components with strategies and activities that address a teen leader's skills to appropriately facilitate discussions/activities about crisis topics.
- Apply information to practical skills in a fun and supportive learning environment.

Trainer: Dr. Brenda K. Nelson, DSW, LCSW
Prevention & Wellness Program Coordinator
Libertyville High School

Brenda has been the Prevention & Wellness Coordinator at Libertyville HS for the past 3 years. Prior to that she spent 13 years at Barrington HS as a Special Ed. social worker and as the Student Assistance Program Coordinator.
