*\*Aidan O'Brien and the late Sir Henry Cecil hold the post-war record of seven for the number of Royal Ascot winners trained in a year. Cecil achieved the feat in 1987 when the Royal Meeting consisted of four days and 24 races, while O'Brien's seven came in 2016 over five days and 30 races. Six winners were sent out by Guy Harwood (1989), Saeed bin Suroor (2004) and O'Brien (2008 & 2017), while in 1975 Vincent O'Brien, who died aged 92, in 2009, achieved the same number of victories from just seven runners.*

*NB: In some years, the winner was decided on the number of placed horses.*

Royal Ascot expanded to five days in 2002. The best ever score by a jockey at Royal Ascot was 12, set by Fred Archer in 1878. Another 19th century celebrity, Nat Flatman, rode 11 winners at the meeting in 1847.*

## ROYAL ASCOT LEADING OWNER AWARD

A Leading Owner Award was introduced at Royal Ascot in 2017. In a very close race, it was Coolmore who just came out on top from Godolphin.

Coolmore partnerships registered six successes over the five days, as did Godolphin. Coolmore took the leading owner award on account of having one more second.

# THE £600,000 QUEEN ANNE STAKES (GROUP 1)

## Background

First run in 1840, the Queen Anne Stakes commemorates the monarch who established racing at Ascot. In the early summer of 1711, while being driven in a carriage from Windsor Castle, Queen Anne decided that Ascot Heath would be a good place to establish a racecourse. A few weeks later, on August 11, 1711, the Royal Meeting was founded.

Between 1840 and 1929, this race was known as the Trial Stakes. The first and second runnings went to the Duke of Rutland's Flambeau. Run over Ascot's straight mile, the Queen Anne Stakes attracts the leading older milers from across Europe and beyond, being for four-year-olds and above. The establishment of the Pattern race system for categorising the top events in 1971 saw the Queen Anne Stakes have Group Three (G3) status, before becoming a G2 in 1984 and a G1 in 2003.

A remarkable renewal in 1974 saw the first three horses - Confusion, Gloss and Royal Perogative - disqualified for causing interference, with the race awarded to the Italian challenger Brook who went past the post in fourth for trainer Mario Benetti and jockey Brian Taylor. The Queen Anne Stakes, one of the top mile races globally, is part of the QIPCO British Champions Series.

## Notable winners include

**Cape Cross (1999)** – Went on to become a top stallion, siring Derby winners Sea The Stars and Golden Horn, plus wonderful mare Ouija Board, successful in seven G1 races including the 2006 Prince Of Wales's Stakes at Royal Ascot.

**Goldikova (2010)** – Brilliant mare and winner of 14 G1 contests; became the first horse to win three renewals of the Breeders' Cup Mile.

**Frankel (2012)** – Perhaps the greatest racehorses of all time, with a modern-day record official rating of 140, while Timeform went 147; unbeaten in 14 starts, 10 of which came at G1 level; won five races at Ascot in total, including the G1 St James's Palace Stakes, the G1 Queen Elizabeth II Stakes sponsored by QIPCO and the G1 QIPCO Champion Stakes. His Queen Anne Stakes performance was simply breathtaking - making all to win by 11 lengths.

**Tepin (2016)** – Became the US-trained victor of the race and the second winner from the USA of a non-juvenile race at Royal Ascot. The champion mare, winner of six G1s, won by a half-length from Godolphin's Belardo at Royal Ascot.

**Ribchester (2017)** – Set a new course record time for Ascot's straight mile of 1m 36.60s in the Queen Anne Stakes and gave owner Godolphin an eighth success in the race when winning by a length and a quarter. Four-time G1 victor.

## Overseas-trained winners (since 1946)

## THE £150,000 COVENTRY STAKES (GROUP 2)

### Background

The six-furlong Coventry Stakes is the early season highlight for two-year-olds over six furlongs. First run in 1890, it is named after the ninth Earl of Coventry, who was Master of the Buckhounds between 1886 and 1892 and again between 1895 and 1901. The Coventry Stakes regained Group Two (G2) status in 2004, having been a G3 since 1984. It is the first Group race for two-year-olds in Britain each year.

### Notable winners include

**The Tetrarch (1913)** – one of the fastest two-year-olds ever and described as “the spotted wonder” after winning all seven starts as a two-year-old, including a 10-length demolition in the Coventry Stakes at Royal Ascot, before injury forced retirement; champion sire in 1919 and left lasting impression on breed through daughter and influential broodmare Mumtaz Mahal.

**Mill Reef (1970)** – European horse of the year in 1971 thanks to dominant victories in the Derby, Eclipse, King George VI & Queen Elizabeth Stakes and Prix de l'Arc de Triomphe; sired winners of the Derby and 2,000 Guineas.

**Chief Singer (1983)** – Won the Coventry Stakes by four lengths on racecourse debut; returned the following year to win the St James's Palace Stakes by eight lengths prior to victories in the July Cup at Newmarket and Sussex Stakes at Goodwood.

**Canford Cliffs (2009)** – Achieved rare feat of winning at Royal Ascot three years in row; he romped home by six lengths in the Coventry Stakes on only his second career start, won the 2010 St James's Palace Stakes during a sparkling three-year-old campaign and defeated outstanding French mare Goldikova in 2011 Queen Anne Stakes. He won five G1 races and now is a successful stallion.

**Dawn Approach (2012)** – Beat the very smart Olympic Glory in the Coventry Stakes and went to impressive success the following season in the British mile Classic, the QIPCO 2,000 Guineas, at Newmarket. He gained four G1 victories.

**Caravaggio (2016)** – Was the impressive winner of the Coventry Stakes and liked Ascot as he came back the next year to beat the Godolphin pair Harry Angel and Blue Point plus American raider Bound For Nowhere in the G1 Commonwealth Cup, also over six furlongs. The Scat Daddy colt ended his career at Ascot when third in the G1 QIPCO British Champions Sprint Stakes against older horses in October, 2017.

### Fastest winners

**Rajasinghe (2017)** went past the post in 1m 12.39s in 2017, setting a new course record for a two-year-old over six furlongs. The previous record was 1m 12.46s, set by **Henrythenavigator** in the 2007 Coventry Stakes.

### Coventry Stakes/2000 Guineas double

# THE £500,000 KING'S STAND STAKES (GROUP 1)

## Background

Bad weather played a crucial role in the origins of the King's Stand Stakes. In 1860 heavy rain made it impossible for the two-mile Royal Stand Plate (which started as the Stand Plate in 1837 before becoming the Royal Stand Plate in 1858) to take place so the race was renamed the Queen's Stand Plate and run over four furlongs, the only raceable part of the course. The race was then run over five furlongs and, with the accession of King Edward VII in 1901, was renamed the King's Stand Stakes, but curiously did not revert to its original name when the present monarch Queen Elizabeth II came to the throne in 1952.

The King's Stand Stakes regained Group One (G1) status in 2008, having been a G2 since 1988, G1 from 1973 to 1987 and G2 in 1971 and 1972. The race's inclusion in the Global Sprint Challenge, founded in 2005, helped to attract challengers from all over the world. There have been 11 overseas-trained winners since the turn of the century. The King's Stand Stakes, still run at five furlongs, is part of the QIPCO British Champions Series.

## Notable winners include

**Abernant (1949)** – Considered the greatest sprinter of the 20th century with a Timeform rating of 142; won 14 of his 17 career starts including back-to-back victories in the July Cup, King George Stakes and Nunthorpe Stakes in 1949 and 1950.

**Dayjur (1990)** – Followed up Ascot success by setting a course record (56.16s) at York in the Nunthorpe Stakes before victories in the Haydock Sprint Cup and the Prix de l'Abbaye; described by jockey Willie Carson as "possibly the best thoroughbred I ever rode."

**Choisir (2003)** – The first Australian-trained horse to win in Britain. He doubled up four days later in the six-furlong Diamond Jubilee Stakes, making him the first horse since Stanerra in 1983 to win twice at the same Royal meeting.

**Miss Andretti (2007)** – The Australian-trained mare had the 2006 victor and fellow Australian Takeover Target back in fourth when setting a new track record time of 57.44s (the course was remodelled in 2005), which still stands, though only just as **Lady Aurelia** (2017) stopped the clock at 57.45s.

**Little Bridge (2012)** – Another international field lined up with runners from five countries - Ireland, Britain, Hong Kong, Australia and France - resulting in a first success for Hong Kong as the Danny Shum-trained Little Bridge came home in front under Australian jockey Zac Purton.

**Lady Aurelia (2017)** – Was successful for the second time at Royal Ascot, as the blisteringly fast Scat Daddy filly won the G2 Queen Mary Stakes by seven lengths the year before. Trained in America by Wesley Ward and was 0.01s outside the track record in the King's Stand Stakes. She was the first three-year-old to succeed since Equiano in 2008.

## Multiple winners

There have been 11 dual winners of the King's Stand Stakes, but only three since the Second World War – Elbio (1991 & 1993), Equiano (2008 & 2010) and Sole Power (2013 & 2014).

# THE £500,000 ST JAMES'S PALACE STAKES (GROUP 1)

## Background

Named after the Tudor Royal residence, the inaugural running of the St James's Palace Stakes in 1834 gave little indication of the high-quality and competitive fields that the race would later produce - while it attracted a Derby winner in Plenipotentiary, the colt was the only runner and consequently was allowed a walkover.

A host of Derby winners have gone on to win the St James's Palace Stakes, notably British Triple Crown winners Ormonde (1886), Rock Sand (1903) and Bahram (1935).

In the post-war period, the Epsom graduates surrendered their dominance to the emerging category of thoroughbred, the mile specialist, and the St James's Palace Stakes usually features colts that won or were placed in the English, Irish or French 2,000 Guineas. The race started out with Group Two (G2) status in 1971 and was promoted to G1 for the 1988 renewal. It is part of the QIPCO British Champions Series and open to three-year-old colts over the round mile (7f 213y).

## Notable winners include

**Tudor Minstrel (1947)** – Champion two-year-old of 1946; eight-length victor of the 2,000 Guineas at Newmarket despite being eased down, the biggest winning distance in the Classic's history.

**Brigadier Gerrard (1971)** – Won 17 of his 18 careers starts over distances from five furlongs to a mile and a half; successful in one of the best renewals of the 2,000 Guineas that also featured Mill Reef and My Swallow; unbeaten in five starts at Ascot.

**Frankel (2011)** – Unbeaten in 14 starts, 10 of which came at G1 level; won five races at Ascot in total, including the Queen Anne Stakes by 11 lengths, the Queen Elizabeth II Stakes and the QIPCO Champion Stakes; rated 147 by Timeform, the highest in the organisation's history.

**Kingman (2014)** – Highest-rated European-trained horse of 2014. Won seven of his eight races, including four G1s.

# THE £90,000 ASCOT HANDICAP

## Background

Founded in 1839, the two and a half mile handicap (2m 3f 210y) is one of only four races at the Royal meeting in which the field passes the winning post twice. Trainers, whose main emphasis is Jump racing, have dominated the race in recent years.

## Notable winners include

**Junior (2010)** – Trained by David Pipe, whose father Martin holds the record for the most wins in this handicap. Junior completed a rare double when successful in the Fulke Walwyn Kim Muir Handicap Chase at the Cheltenham Festival in 2011.

**Simenon (2012)** – The first of three winners of this race trained by Willie Mullins, Ireland's long-time champion Jump trainer. Simenon also ran away with the Queen Alexandra Stakes later in the same week and was beaten a head by Estimate in the following year's Gold Cup; finished fourth in 2013 Melbourne Cup.

## Ascot Handicap/Queen Alexandra Conditions Race double

Three horses have won these two long-distance races at Royal Ascot in the same week since 1977 – Mountain Cross (1978), Baddam (2006) and Simenon (2012).

## Overseas-trained winners (since 1977)

**Ireland (8):** San Sebastian (1998), Barba Papa (2000), Leg Spinner (2005), Simenon (2012), Domination (2014), Clondaw Warrior (2015), Jennies Jewel (2016), Thomas Hobson (2017)

## Betting (since 1977)

**Longest-priced winner:** Baddam 33/1 (2006)

**Shortest-priced winner:** Mountain Cross 11/4 (1978)

**Market leaders:** 8 favourites or joint favourites have been successful in the 41 runnings

## Most successful trainer (since 1977)

**5 wins:** Martin Pipe – Right Regent (1983), Balasani (1993), Sweet Glow (1994), Riyadh (2002), Sindapour (2003)

# THE £100,000 WOLFERTON STAKES (LISTED)

## Background

The race has changed conditions for 2018, becoming a Listed contest rather than a Listed handicap which it had been since inaugurated in 2002 with the extension of Royal Ascot to a five-day meeting from four. The Listed Wolferton Stakes remains a race for four-year-olds and above, but has switched from the final day of Royal Ascot to the first.

The mile and a quarter contest (1m 1f 212y) takes its name from the Norfolk village of Wolferton situated near the Queen's country retreat, the Sandringham Estate.

Five of the past six winners have gone on to race in Australia.

## THE £200,000 QUEEN'S VASE (GROUP 2)

### Background

Queen Victoria donated a gold vase for a mile and a half race at Ascot in 1838. This race would become the Gold Cup Vase and then in 1960 was renamed the Queen's Vase after Queen Elizabeth II.

The distance of the Queen's Vase was reduced to a mile and six furlongs in 2017 (1m 6f 34y), having previously been run at two miles, and was upgraded to G2 status for the first time, with the prize money boosted. This was part of reforms brought in to boost the race programme for stayers in Britain.

The 2013 renewal was called the Queen's Vase In Memory of Sir Henry Cecil after leading trainer Sir Henry Cecil who died on June 11 that year and had sent out eight winners of this race.

### Notable winners include

**Le Moss (1978)** – One of the great stayers of modern times; completed the stayers' Triple Crown in 1979 by winning the Gold Cup, Goodwood Cup and Doncaster Cup; did the treble again in 1980, defeating future Gold Cup hero Ardross on each occasion.

**Mamool (2002)** – Went on to win the 2003 G2 Yorkshire Cup before dropping back in trip and gaining two G1s in Germany, notably the Grosser Preis von Baden.

**Estimate (2012)** – Subsequently also gained a memorable success in the 2013 Gold Cup, enabling Her Majesty The Queen the first reigning monarch to win the prestigious race.

**Leading Light (2013)** – Defeated Oaks winner Talent in the 2013 St Leger and won the Gold Cup in 2014.

**Stradivarius (2017)** – Went on to win the G1 Goodwood Cup and finish a close third in both the G1 St Leger at Doncaster and G2 Qipco British Champions Long Distance Cup at Ascot later in the year.

# THE £750,000 PRINCE OF WALES'S STAKES (GROUP 1)

## Background

The Prince Of Wales's Stakes was first run at Royal Ascot in 1862, a year after the death of Prince Albert. The popular Prince of Wales (later to become King Edward VII) had taken over many of the social duties previously carried out by his mother, Queen Victoria, who continued to remain in mourning for her late husband.

In the early years, it was mainly three-year-olds who competed in the race, then run over one mile and five furlongs. Horses often ran in the Prince Of Wales's Stakes after having participated in one or more of the Classics.

In the first half of the 20th century, it generally became rarer for horses of the Classic generation to run in the Prince Of Wales's Stakes. One very notable exception was the great Hyperion, who was successful in 1933, the same year that he won the Derby and St Leger.

When racing resumed at Royal Ascot in 1946 after the war, there was no Prince Of Wales's Stakes because George VI was on the throne and, as he had no male heirs, there was no Prince of Wales.

The race did not take place again until 1968, a year before the current Prince of Wales's investiture in 1969, with the distance changed to a mile and a quarter (1m 1f 212y).

The Prince Of Wales's Stakes, which became a G1 contest in 2000, is part of the QIPCO British Champions Series.

## Notable winners include

**Brigadier Gerard (1972)** – Won 17 of his 18 careers starts over distances from five furlongs to a mile and a half; successful in one of the best renewals of the 2,000 Guineas that also featured Mill Reef and My Swallow; Timeform rating of 144, bettered only by Frankel and Sea Bird. **Mtoto (1987 & 1988)** – Won two Eclipse Stakes as well as the King George VI & Queen Elizabeth Stakes back at Ascot. **Bosra Sham (1997)** – Won by eight lengths after being a three-time G1 scorer. **Dubai Millennium (2000)** – One of the modern day greats on dirt and turf; won the Dubai World Cup by six lengths before an eight-length Prince Of Wales's Stakes victory at Royal Ascot; named the best racehorse in the world in 2000, ahead of Sinndar and Montjeu. **Fantastic Light (2001)** – Captured six G1s in all, including in America, Hong Kong and Ireland. **Ouija Board (2006)** – Star racemare who racked up seven G1 successes on three continents during her career; dam of 2014 Investec Derby winner Australia. **So You Think (2012)** – Won back-to-back Cox Plate's, Australia's most prestigious race, for legendary trainer Bart Cummings; continued career in Europe for Aidan O'Brien – adding five G1s to his CV including the Prince Of Wales's Stakes, Eclipse Stakes and Irish Champion Stakes. **The Fugue (2014)** – Established a new track record time when beating Magician and Treve – 2m 1.90s. **Highland Reel (2017)** – The highest-earning horse trained in Europe at the end of 2017 when he retired – £7,500,000+. He won seven G1 races, including two at Ascot in a globe-trotting career. He captured the 2016 King George VI & Queen Elizabeth Stakes (sponsored by QIPCO) at 12 furlongs and then dropped back to 10 furlongs for the Prince Of Wales's Stakes.

# THE £175,000 ROYAL HUNT CUP (HERITAGE HANDICAP)

## Background

The Royal Hunt Cup is not only one of the major betting races of the season, but has also established itself as a tremendous spectacle. The inaugural running in 1843 was won decisively by Knight Of Whistle, but behind was a desperate battle for second place between Garry Owen, Epaulette and Bourra Tomacha - the judge could not split them and eventually awarded a triple dead-heat for the runner-up position.

With a strong ante-post market assured, the Royal Hunt Cup has long been the subject of heavy gambles and two enormous touches were landed at the turn of the last century. Prior to the 1900 running, Royal Flush had shown form only in minor races and appeared to be out of his depth. But his trainer, Enoch Wishard, had perfected the technique of doping and was able to induce the necessary improvement. Royal Flush won and netted a fortune for his unscrupulous American owners.

The next significant tilt at the ring was executed by the infamous Druid's Lodge Confederacy. Lally, one of the greatest horses ever trained at Druid's Lodge, was thought to be a certainty for the 1906 Derby at Epsom over a mile and a half, and was backed down to favouritism. Unable to stay the trip, he was prepared for the 1907 Royal Hunt Cup, which he won defeating Andover by half a length.

In 1919, revelling in post-war relief, thousands of punters latched onto the hugely popular Irish Elegance, forcing him to start the 7/1 joint-favourite. The result was never in doubt as Irish Elegance defied a burden of 9st 11lb for a famous victory.

The race was originally over a distance of seven furlongs and 155 yards, until the course was re-aligned and a straight mile laid out in time for the 1955 meeting. A maximum field of 30 is allowed.

In more recent times, Old Lucky (1974), backed from 12/1 into 8/1, and Tender Heart (1980), sent off second favourite at 13/2, have both landed substantial gambles.

Fly To The Stars, favourite in 1998 to defy 9st 11lb, could not cope with 20/1 chance Refuse To Lose, but went on to success in three Group races culminating in the Group One Lockinge Stakes at Newbury in 1999, demonstrating what a competitive race the Royal Hunt Cup is.

## Notable winners include

**Master Vote (1947 & 1948)** – The only horse to win two editions of the Royal Hunt Cup.

**Buzzards Bay (1982)** – Completed prestigious handicap double when winning what is now the John Smith's Cup at York the following month; returned to Ascot later in the year to win the Queen Elizabeth II Stakes.

**Cesare (2006)** – Progressed into high-class miler; won four of his nine starts, with most notable success coming in 2007 G2 Summer Mile; runner-up to Paco Boy in 2009 Queen Anne Stakes.

## Overseas-trained winners (since 1960)

## THE £90,000 JERSEY STAKES (GROUP 3)

### Background

Named after the 4th Earl of Jersey, the Jersey Stakes was established in 1919 and replaced the second leg of the Triennial Stakes, a three-year cycle of races which was discontinued after the First World War. The 4th Earl of Jersey was Master of the Buckhounds in 1782 and 1783.

The seven-furlong contest over the straight course is restricted to three-year-olds who have yet to win a Group 1 or Group 2 race, although it regularly features horses who have competed at that level.

Used to be the first race on the second day and now switched to the last.

### Notable winners include

**Indian Ridge (1988)** – Returned to Ascot in 1989 to win the five-furlong King's Stand Stakes; successful stallion and broodmare sire.

**Zilzal (1989)** – Awarded the highest Timeform rating (137) of the year, ahead of Nashwan and Old Vic, following dominant displays in Goodwood's Sussex Stakes and Queen Elizabeth II Stakes back at Ascot.

**Diktat (1998)** – Proved himself a top-class sprinter in 1999 with G1 victories in the Prix Maurice de Gheest and Haydock Sprint Cup; sire of 2011 European champion sprinter Dream Ahead.

**Mozart (2001)** – Dropped back in trip to win the six-furlong July Cup at Newmarket and five-furlong Nunthorpe Stakes at York.

**Ribchester (2016)** – Progressed to win the G1 Prix Jacques Le Marois at Deauville later that year as well as the 2017 G1 Lockinge Stakes at Newbury and 2017 Queen Anne Stakes on his return to Royal Ascot.

**Shoot A Line (1980)** – Went on to capture both the Irish Oaks and Yorkshire Oaks later in the same season; finished runner-up to Ardross in the 1981 Gold Cup and was the grand-dam of US champion Thunder Gulch, winner of the Kentucky Derby in 1995.

# THE £500,000 GOLD CUP (GROUP 1)

## Background

Founded in 1807, the Gold Cup is one of the most prestigious races at Royal Ascot. At two miles and four furlongs (2m 3f 210y), it thoroughly tests a horse's stamina but is not the longest contest of the meeting, with that accolade going to the Queen Alexandra Stakes over nearly two miles and six furlongs on the final day.

Master Jackey became the first horse to win the Gold Cup when, carrying only 6st 12lb, he beat three runners and thus collected 100 guineas in prize money for owner Mr Durand. Jannette, who triumphed at 4/5 in 1811, was the first odds-on winner. Numerous horses have gone off at prohibitive odds since, none shorter than Gay Crusader who won at 8/100 in 1917. Pretty Polly's defeat by Bachelor's Button in 1906 is arguably the race's greatest upset. The brilliant 1904 Oaks winner seemed to be unsettled by the sweltering conditions and a wart on her belly.

Winners of the Derby rarely run in the Gold Cup nowadays, but for much of its history, the race served as the primary objective after Epsom Classic glory. West Australian, the first winner of the Triple Crown (2,000 Guineas, Derby, St Leger), won at 4/6 in the hands of Alfred Day in 1854. The Flying Dutchman (1850), Gladiateur (1866) and Isinglass (1895) are other famous winners of both races. Ocean Swell, successful in 1945, is the last horse to have completed the Derby/Gold Cup double. The most recent winner of the Derby to take part was Blakeney, who finished runner-up in 1970. The Gold Cup is part of the QIPCO British Champions Series.

## Notable winners include

**Sagaro (1975, 1976 & 1977)** – One of the greatest stayers of all time and the first horse to win the Gold Cup on three occasions; renowned for being a stayer with a true turn of foot, he also won the Grand Prix de Paris and the Prix du Cadran. **Ardross (1981 & 1982)** – Part of a vintage era of stayers that also included Sagaro and Le Moss; went down by three-quarters of a length to Le Moss in a thrilling finish to the 1980 Gold Cup before going on to dominate the staying division for the next two years; beaten a head on final appearance in Europe's premier middle-distance contest, the Prix de l'Arc de Triomphe, in 1982. **Yeats (2006, 2007, 2008 & 2009)** – The only horse to win the Gold Cup four times; one-time Derby contender who also took the Coronation Cup at Epsom Downs as a four-year-old; also won the Irish St Leger, the Prix Royal-Oak and the Goodwood Cup; became the oldest winner (8yo) of the Gold Cup since Merman in 1900 when gaining his fourth success in 2009 and is commemorated with a statue in Ascot's parade ring. **Rite Of Passage (2010)** – Set a new track record of 4m 16.92s for the Gold Cup and no other winner has come close to it. **Estimate (2013)** – The Queen's stayer created history when becoming the first horse owned by a reigning monarch to win the Gold Cup; half-sister to the 1999 Gold Cup winner Enzeli, Estimate also won the Queen's Vase at Royal Ascot in 2012.

# THE £500,000 COMMONWEALTH CUP (GROUP 1)

## Background

The inaugural running of the Commonwealth Cup in 2015 marked the first Group One sprint contest in Europe confined to three-year-olds.

It was also the first new race in the 44-year history of the European Pattern to go straight in with G1 status, rather than with a probationary period at a lower level or no grade at all.

All 18 runners had already secured black type, while 13 were Group or Listed winners. Muhaarar, an Oasis Dream colt owned by Hamdan Al Maktoum, trained by Charlie Hills and ridden by Dane O'Neill, was the most impressive winner, coming home three and three quarter lengths clear of Limato, with Anthem Alexander third.

The stunning victory was no fluke as Muhaarar remained unbeaten for the rest of the year in three more G1 sprints, the Darley July Cup, the Prix Maurice De Gheest and the QIPCO British Champions Sprint Stakes, becoming European Champion Sprinter.

The second running was nearly as good. Filly Quiet Reflection subsequently won the G1 Haydock Sprint Cup.

The third running was excellent. The three quarters of a length runner-up Harry Angel ended up as the top-rated sprinter of the world at the end of the year, while the winner Caravaggio was unbeaten in four runs as a two-year-old including the G1 Keeneland Phoenix Stakes.

The Commonwealth Cup is part of the QIPCO British Champions Series.

# THE £500,000 CORONATION STAKES (GROUP 1)

## Background

First run in 1840, the Coronation Stakes was founded to commemorate the crowning of Queen Victoria in 1838. The mile event for three-year-olds became the fillies' equivalent of the St James's Palace Stakes and established itself as a natural progression for fillies who had run creditably in the mile fillies' Classic, the 1,000 Guineas at Newmarket in early May. The inaugural running went to the Lord Albemarle-owned Spangle, while the first filly to complete the 1,000 Guineas/Coronation Stakes double was the Jos Dawson-trained Lady Augusta in 1863. The race now attracts the principal protagonists from the English, Irish and French 1,000 Guineas, although it has not always been a happy hunting ground for the winners of the British fillies' Classic – Winter in 2017, Sky Lantern in 2013, Ghanaati in 2009, Attraction in 2004 and Russian Rhythm in 2003 won both contests, but before that One In A Million in 1979 was the previous filly to follow up Newmarket Guineas success with a Coronation Stakes win. The contest, run over the round mile (7r 213y) at Ascot, is part of the QIPCO British Champions Series and was promoted to G1 status from G2 in 1988.

## Notable winners include

**Pretty Polly (1904)** – One of the greatest fillies of all time. Won 22 of her 24 races, including the 1,000 Guineas, Oaks, St Leger, two renewals of the Coronation Cup and the Champion Stakes; went on to become an outstanding broodmare. **Book Law (1927)** – Runner-up in the 1,000 Guineas before going on to Classic glory in the St Leger at Doncaster over three quarters of a mile further; was the dam of Archive, who went on to sire brilliant chaser Arkle. **Meld (1955)** – Winner of the fillies' Triple Crown with victories in the 1,000 Guineas, Oaks and St Leger; dam of the 1966 Derby winner Charlottown. **Humble Duty (1970)** – Top miler, before won the 1,000 Guineas by seven lengths, and then Goodwood's Sussex Stakes. **Ridgewood Pearl (1995)** – A G1 winner in four countries, winning the Irish 1,000 Guineas, the Prix Du Moulin de Longchamp in France and the Breeders' Cup Mile in addition to her Royal Ascot success. **Attraction (2004)** – Won the 1,000 Guineas, Irish 1,000 Guineas and the Coronation Stakes, despite being born with crooked forelegs; also won the Queen Mary Stakes at Royal Ascot during an unbeaten juvenile campaign. **Ghanaati (2009)** – Set a new track record for the round mile of 1m 38.32s following the course being remodelled in 2005, but this was broken by Barney Roy in the 2017 St James's Palace Stakes. **Winter (2017)** – One of four 2017 G1 wins for this talented Galileo filly, who led home a 1/2/3 for trainer Aidain O'Brien and Coolmore Partnerships, also responsible for the runner-up Roly Poly and the third Hydrangea.

# THE £90,000 SANDRINGHAM HANDICAP

## Background

The Sandringham Handicap was first staged at Royal Ascot in 2002 when the meeting was expanded to five days. Before that, it was known as the Fern Hill Stakes and formed part of the traditional Heath Day card on the Saturday after the four-day Royal meeting.

The race, for three-year-old fillies over the straight mile, had Listed status, but this has been withdrawn for 2018, since the Pattern Committee no longer wanted Listed handicaps. It is now a handicap for three-year-old fillies rated 0-105.

## Notable winners include

# THE £90,000 CHESHAM STAKES (LISTED)

## Background

First run in 1919, the Chesham Stakes takes its name from the third Baron Chesham, who was the last Master of the Buckhounds at Ascot (1900-1901) – the role was replaced by His or Her Majesty's Representative at Ascot on King Edward VII's accession to the throne.

The Chesham Stakes took over from the first leg of the Triennial Stakes, a five-furlong two-year-old contest. The middle leg of the Triennial Stakes, a seven-furlong contest for three-year-olds, became the Jersey Stakes, while the final leg, for four-year-olds over two miles, became the Churchill Stakes.

Extended to its current distance of seven furlongs in 1996 after being run at five furlongs and then six furlongs, the Chesham Stakes is restricted to two-year-olds who are sired by a winner of a race of a mile and a quarter or further.

## Notable winners include

**Abernant (1948)** – Champion juvenile of 1948 with victories in the Champagne Stakes and Middle Park Stakes to add to his Royal Ascot success; beaten a short-head in the following year's mile Classic, the 2,000 Guineas, at Newmarket before establishing himself as a brilliant sprinter.

**Major Portion (1957)** – Went on to capture the Middle Park Stakes before returning to Ascot to win the St James's Palace Stakes in 1958; also successful in the Queen Elizabeth II Stakes and Sussex Stakes.

**Be My Chief (1989)** – Unbeaten in six starts as a two-year-old, including the Vintage Stakes, Solario Stakes and Racing Post Trophy.

# THE £225,000 HARDWICKE STAKES (GROUP 2)

## Background

First run in 1879 and named after the fifth Earl of Hardwicke, Master of the Buckhounds between 1874 and 1879. Initially run as a weight-for-age conditions race open to three-year-olds, the 12-furlong (1m 3s 211y) contest is now for four-year-olds and upwards.

Early winners of the Hardwicke Stakes include Tristan, the only three-time victor (1882-1884) who also captured the July Cup, the Coronation Cup twice and the Gold Cup in an outstanding career, and the brilliant Triple Crown winner Ormonde (1886 & 1887).

The race conditions were enhanced in 2012, with no penalties for G1 or G2 winners, along with a significant injection of prize money.

## Notable winners include

**Aureole (1954)** – One of Her Majesty The Queen's best horses; second in the 1953 Derby and followed up with success in the Hardwicke Stakes with victory in the King George VI & Queen Elizabeth Stakes at Ascot the next month, becoming the first horse to complete that big-race double; went on to become champion sire in Britain.

**Rheingold (1973)** – Also runner-up in the previous year's Derby and subsequently defeated the mighty Allez France in the 1973 Prix de l'Arc de Triomphe.

**Stanerra (1983)** – Top-class mare who became the first horse since Shaddock in 1896 to win both the Prince Of Wales's Stakes and the Hardwicke Stakes at the same Royal Ascot, breaking the track record in the latter race; went on to capture the Japan Cup later the same year.

**Harbinger (2010)** – The most recent of five horses to follow up victory in the Hardwicke Stakes by taking the King George VI & Queen Elizabeth Stakes, joining Aureole (1954), Aggressor (1960), Park Top (1969) and Doyen (2004).

He won the King George VI & Queen Elizabeth Stakes by a record 11 lengths, a performance judged to be the best in the world that year by the World Thoroughbred Rankings, before a leg injury forced retirement.

# THE £600,000 DIAMOND JUBILEE STAKES (GROUP 1)

## Background

Royal Ascot's most prestigious sprint became the Diamond Jubilee Stakes in 2012 in recognition of Her Majesty Queen Elizabeth II's ascension to throne in 1952. It was elevated to Group One status to celebrate the Queen's Golden Jubilee in 2002 and run as the Golden Jubilee Stakes from 2002 - 2011. Prior to 2002, the contest was known as the Cork & Orrery Stakes.

The inaugural running of this six-furlong contest took place in 1868. The race was named the Cork & Orrery Stakes after Lord Cork, a Master of the Buckhounds, from 1926 to 2001. It became part of the Global Sprint Challenge international series of sprints in 2005 and was restricted to four-year-olds and upwards with the first running of the Commonwealth Cup in 2015. The Diamond Jubilee Stakes is part of the QIPCO British Champions Series.

## Notable winners include

**Right Boy (1958 & 1959)** – The last of six multiple winners of the race, Right Boy also won the King's Stand Stakes in 1957. He was one of the leading post-War sprinters and also gained a pair of victories in both the July Cup and the Nunthorpe Stakes.

**Danehill (1989)** – Top sprinter who also won the Haydock Sprint Cup in 1989 before going on to establish himself as one of the most influential stallions of modern times, becoming champion sire in both Europe and Australia.

**Choisir (2002)** – The first Australian-trained horse to triumph in Britain, annexing both the King's Stand Stakes and the Diamond Jubilee Stakes in the same year – the first horse to complete the Royal Ascot sprint double since Diadem in 1920.

**Cape Of Good Hope (2005)** – Became the first Hong Kong-trained horse to win in Britain.

**Black Caviar (2012)** – One of the best sprinters of all-time and unbeaten in 25 starts in a glittering career. The Australian-trained mare had already won 11 G1 races before lining up in the 2012 Diamond Jubilee Stakes and scored at odds of 1/6 at Royal Ascot, despite jockey Luke Nolen almost snatching defeat from the jaws of victory by easing up near the line.

# THE £175,000 WOKINGHAM HERITAGE HANDICAP

## Background

The inaugural Wokingham took place in 1813, making the race the oldest of the handicaps still run at Royal Ascot.

The famous sprint, which has been run over six furlongs since its inception, is named after the market town seven miles from the Royal course.

The attraction of a handicap as a betting medium was a prime reason for the Wokingham's initial success.

Pointers, the first winner, was owned by the Duke of York.

## Notable winners include

**Fayr Jag (DH 2003)** – Dead-heated with Ratio before returning to Royal Ascot a year later to capture the Diamond Jubilee Stakes.

**Iffraaj (2005)** – Readily won by two lengths in 2005, when the Royal meeting was run at York due to the redevelopment of Ascot; subsequently won three G2 races and was beaten a head in the 2006 July Cup before establishing himself as a top stallion.

**Laddies Poker Two (2010)** - Had been off the racecourse for 610 days before scoring emphatically for trainer Jeremy Nosedá; the talented but fragile mare, who didn't race following her Royal Ascot success, is the dam of the dual Guineas and 2017 Coronation Stakes winner Winter.

## Overseas-trained winners (since 1960)

**Ireland (3)** – Boone's Cabin (1975), Time Machine (1985), Dandy Boy (2012).

**France (1)** – Ratio (DH 2003).

# THE £90,000 QUEEN ALEXANDRA STAKES

## Background

Named after the consort of King Edward VII, the Queen Alexandra Stakes was first run in 1864 as the Alexandra Plate over three miles.

Now contested over nearly two and three quarter miles (2m 5f 143y), it is not only the longest race of the meeting, but also the longest contest run under Flat racing rules in Britain.

One of the most popular horses of the 20th century, he is commemorated at Ascot by the Brown Jack Handicap, a two-mile handicap run in July.

**Simenon (2012)** - Talented dual-code performer who completed the Ascot Handicap/Queen Alexandra double; went down by a neck to Estimate in the 2013 Gold Cup and also finished fourth in the same race in both 2014 and 2015.

**Oriental Fox (2015)** – Won the Queen Alexandra Stakes for the first time in a new course record time of 4m 45.67s. The Mark Jonston-trained horse won for a second time in 2017.

# ROYAL ASCOT RIDING LEGENDS

## Lester Piggott - Royal Ascot wins: 116

Lester Piggott is undeniably one of the greatest of all jockeys and his Royal Ascot record bears that out. His first win at the meeting came in the 1952 Wokingham aboard the Walter Nightingall-trained Malka's Boy. The "Longfellow" went on to be associated with some of the greatest horses to have graced Royal Ascot. His remarkable 11 Gold Cup victories included three on the legendary Sagaro, one atop Le Moss and a brace in tandem with Ardross. At the other end of the distance spectrum, Piggott took the 1952 King's Stand Stakes on Right Boy and partnered the champion sprinter to Cork And Orrery successes in 1953 and 1954. Others of note include the imperious Petite Etoile in the 1961 Rous Memorial Stakes and St Paddy in the same year's Hardwicke Stakes. Of Piggott's 116 wins at the meeting, he rode 18 apiece for trainers Noel Murless and Vincent O'Brien. His final Royal Ascot win came aboard the latter's College Chapel in the 1993 Cork & Orrery Stakes at the age of 57. Piggott rode the first winner of his career in 1948 and he is associated with a host of equine superstars, most notably Crepello, St Paddy, Sir Ivor, Park Top, Nijinsky, Rheingold, Dahlia, The Minstrel, Alleged, Commanche Run, Royal Academy and his final Classic winner, Rodrigo De Triano. He retired in 1995 with a career total of 4,493 wins that resulted in 11 British jockeys' championships. Piggott also made an impact at Royal Ascot in his only full season as a trainer, 1986, when he sent out Cutting Blade to land the Coventry Stakes. He was joint owner/breeder of Superstar Leo, winner of the Norfolk Stakes in 2000.

## Pat Eddery – Roal Ascot wins 73

Pat Eddery was born on March 18, 1952 in Newbridge, County Kildare, Ireland and forged a reputation as one of the greatest riders of the post-war period. Britain's champion jockey a joint modern-day record 11 times and the winner of every Classic in England and Ireland, Eddery was the leading rider at Royal Ascot on six occasions. Royal Ascot in 1989 proved to be Eddery's finest as he partnered eight winners (joining Lester Piggott (1965 & 1975) on the record number which was only passed by Ryan Moore in 2015) at the Meeting including Two Timing in the Prince Of Wales's Stakes, Cacoethes in the King Edward VII Stakes and Assatis in the Hardwicke Stakes. He was also top jockey at Royal Ascot in 1993(5), 1992(4), 1988(4), 1986(6) and 1973(4). In a 1999 newspaper article, Pat Eddery was quoted as saying: "There is nowhere in the world like Royal Ascot. It is the best meeting of all by a long way. Every day, every race, the best horses are running." Successful in a host of major international races, Pat Eddery figures second only to Sir Gordon Richards in total number of career wins as a rider in Britain with 4,632. After a career that encompassed success on some of the turf's outstanding horses such as Dancing Brave, Grundy, Sadler's Wells, Reference Point, Pebbles, El Gran Senor, Zafonic and Bosra Sham, Eddery retired at the end of the 2003 Flat season and became a trainer. The best horse he trained was Hearts Of Fire, a Group One winner in Italy and third in the 2010 St James's Palace Stakes at Royal Ascot. He died on November 10, 2015 at the age of 63. In honour of the late Pat Eddery, who won the 1975 (Grundy) and 1986 (Dancing Brave) renewals of the King George VI & Queen Elizabeth Stakes, the Listed Winkfield Stakes, which opens King George Day (Saturday, July 29) was renamed the Pat Eddery Stakes in 2016.

## Willie Carson - Royal Ascot Wins: 56

Willie Carson's first Royal Ascot win came in 1971 when he partnered Celtic Cone to win the Ascot Stakes for his boss, the Newmarket trainer Bernard van Cutsem. That belated first triumph at the summer showcase arrived 14 years after he began his apprenticeship with Captain Gerald Armstrong in North Yorkshire and, having broken his duck, Carson struck twice more at that year's meeting, aboard Royal Dancer in the King George V Handicap and Stubb's Gazette in the Britannia. Carson made up for a slow start to his career as he went on to partner 56 winners at Royal Ascot before retiring in 1996, the last being Atraf in that year's Cork And Orrery Stakes. Many of Carson's victories came for trainer Major Dick Hern, and the pair teamed up with The Queen for a Royal double at the 1979 meeting when Expansive took the Ribblesdale Stakes and Buttress the Queen's Vase. Carson and Hern joined together for four victories a year later headed by Ela Mana Mou in the Prince Of Wales's Stakes, while Little Wolf (1983) and Longboat (1986) took the Gold Cup for the Carson/Hern partnership. 1983 saw Carson notch his largest Royal Ascot total with five winners at the then four-day meeting. In the latter part of his career, the Scotsman enjoyed a fruitful retainer with Hamdan Al Maktoum and he rode the owner's Marju to win in the 1991 St James's Palace Stakes and Lahib to success in the 1992 Queen Anne Stakes, while Muhtarram landed back-to-back wins in the Prince Of Wales's Stakes (1994 & 1995). Perhaps Carson's greatest Royal Ascot winner was Dayjur, imperious in the 1990 King's Stand Stakes for owner Sheikh Hamdan al Maktoum and Hern. Other notable victories came aboard Habibti (1984) and Chilibang (1988) in the King's Stand, and Danehill in the 1989 Cork & Orrery Stakes. Sadeem provided Carson with a third Gold Cup triumph in 1989. The five-time champion jockey retired in 1996 with 17 British Classic wins and 3,828 career wins.

## Johnny Murtagh - Royal Ascot Wins: 43

Johnny Murtagh, a five-time champion jockey in Ireland, established himself as one of the best jockeys of his generation. Always a man for the big occasion, he enjoyed 43 winners at Royal Ascot and was the leading rider at the meeting five times (2001, 2002, 2008, 2009, 2013). Murtagh's first success came courtesy of the John Oxx-trained Ridgewood Pearl in the 1995 Coronation Stakes. Through his association with Oxx, who he joined as an apprentice, Murtagh rode plenty of winners for leading owner/breeder the Aga Khan and the trio combined to plunder the 1999 Gold Cup with Enzeli. The first of three Epsom Derbys followed a year later on the mighty Sinndar, who crowned a brilliant three-year-old campaign under Murtagh with victory in the Prix de l'Arc de Triomphe. Murtagh was a man in demand and rode five winners at Royal Ascot in 2001, headlined by the first of two Gold Cup victories on the Mark Johnston-trained Royal Rebel. Australian sprinter Choisir, with Murtagh in the plate, took Royal Ascot by storm in 2003, blitzing his opponents in both the King's Stand Stakes and Diamond Jubilee Stakes. From 2008 to 2010, Murtagh was retained by the powerful Coolmore operation and during that period rode 11 winners at Royal Ascot for Ireland's champion trainer Aidan O'Brien. The highlight came on Yeats, who joined the pantheon of greats with an unprecedented fourth consecutive Gold Cup in 2009. Despite taking out a training licence at the beginning of the 2013 Flat season, Murtagh continued to ride and notched up four more winners at Royal Ascot, ending the week as the QIPCO leading rider. He announced his retirement from the saddle on February 25, 2014 to concentrate on training in Ireland.

## Steve Cauthen - Royal Ascot wins: 38

A teenage riding sensation in America, Steve Cauthen became the youngest jockey to win the US Triple Crown when taking all three legs aboard Affirmed in 1978 at the age of 18. Rising weight prompted a move to Britain in 1979 and Cauthen went on to be UK champion jockey on three occasions. Cauthen rode 38 Royal Ascot winners in a little more than a decade, following his first victory at the meeting on the Barry Hills-trained Prince Of Hush in the 1982 Prince Of Wales's Stakes. He landed the Gold Cup for Hills aboard Gildoran in 1984 but it was as number one rider for Henry Cecil that Cauthen enjoyed his greatest period of success. In 1987, the year that he partnered Cecil's Reference Point to success in the Derby, Cauthen, rode seven winners at the Royal meeting, his best numerical haul. Two years later he went close to matching that feat as he partnered six winners, including Indian Ridge in the King's Stand Stakes. Among his five victories in 1990 were Shavian in the St James's Palace Stakes and Chimes of Freedom in the Coronation Stakes. His last Royal Ascot triumph came on the Peter Makin-trained Elbio in the 1991 King's Stand Stakes, the same year that he won the Prince Of Wales's Stakes aboard his patron Sheikh Mohammed's Stagecraft. He was leading rider at Royal Ascot on four occasions. Aside from those already mentioned, the Kentucky native's career is synonymous with superstars such as Oh So Sharp, Pebbles, Slip Anchor, Indian Skimmer, Old Vic, Diminuendo and In The Groove. Cauthen retired from race riding at the end of 1992 with 2,794 career victories and returned to his Kentucky home.
