From the Pastor's Desk

KEN CASTLEBERRY

FIFTEEN YEARS AGO Parkway began the process of making the Family Life Center a reality. This multi-purpose facility that includes a gym, walking track, weight room, game room, kitchen, library, and several Sunday School classrooms has been a tremendous blessing to our fellowship and our community. It has allowed us to touch thousands of lives each year with the love of Christ. Can you imagine where Parkway might be today if we hadn't built this addition to our church campus? I am so grateful for the vision of our beloved former pastor emeritus, **Brother Jimmy Moore**, and the response of our church to step out in faith to build a facility that has been and continues to be used for the Kingdom of God in such an extraordinary way. I am also thankful that I was privileged to be called as the first Minister of Family Life and seek to get our ministry through this outstanding facility off the ground. Since my departure from that role we have been blessed to have **Matt Megginson** not only lead in this area but do so with excellence. Tell Matt the next time you see him how appreciative you are of his ministry in this vital area of our church's life. Matt and the Recreation Committee have several special events scheduled for this month that I want to draw to your attention and ask you to participate.

GAME NIGHT is this **Sunday evening, July 9th**. The fun begins at 4:30 pm at the FLC with a Video Scavenger Hunt and continues at 6:00 p.m. with a Homemade Ice Cream fellowship in the Fellowship Hall where we will get to see the funny pictures of those who were on the hunt. It promises to be great fun but it will be even better if *you and your family and friends* are here! ***Did I mention that there will be homemade ice cream?*** If you don't want to go on the scavenger hunt, please come for the ice cream and fellowship. If you can provide a freezer of ice cream, please let Matt know as soon as possible. My family is participating in the hunt and bringing 2 freezers so *we are all in!* I hope you will join us and bring some friends as well.

BASKETBALL CAMP will be held **July 17th-20th** for kids. 1st-4th grade players will meet each day from 9:00 a.m. – 12:00 p.m. 5th-8th grade players will meet from 1:00 p.m. – 4:00 p.m. **Picasso Simmons**, a former Murray State basketball player, will be our instructor for the week. Make sure your child or grandchild is signed up and again invite friends to do the same. More information can be obtained at the FLC.

NASHVILLE SOUNDS outing will be on **Saturday, July 29th**, at First Tennessee Park. We have reserved a block of tickets behind 1st base for Parkway members and friends to watch the Sounds take on the Salt Lake City Bees. Tickets will be on sale until July 16th. It will be a great night to take in a baseball game together.

CONGRATULATIONS to **Bobby and Kyla Webb** for becoming grandparents for the first time with the birth of **William Brooks Webb**, son of Aaron and Lauren Webb. Brooks made his long awaited entrance into the world at the prime time of 2:36 a.m. last Friday morning. We congratulate **Andrew Webb** for becoming an uncle as well. You can spot the Webbs easily – they're the ones with the big smiles on their faces!

Knowing. Growing. Going. Together!
