

Living In Place Institute

Company Overview

All Homes
Accessible,
Comfortable
and Safe

The Living In Place Institute™ (LIPI™) was founded over 5 years ago to meet the education and market needs of industry professionals who participate in making all homes more accessible, comfortable and safe for everyone, regardless of their current needs of age. As seen below, the Living In Place Institute includes many unique opportunities.

LIVING IN PLACE EDUCATIONAL PROGRAMS

Overall, Living In Place Institute has created many unique programs, including:

- ✓ The **Certified Living In Place Professional™ (CLIPP™)** Program – This program is industry recognized for its comprehensive perspective of helping professionals understand the needs of the Living In Place market. This is the **HOW-TO** program for Universal Design and Aging In Place.
- ✓ The **Home Accessibility and Safety Assessment Checklist™ (HASAC™)** App – This unique electronic tool allows a wide variety of professional to accurately, efficiently and quickly assess a home for accessibility and safety, creating a prioritized list of items that should be done NOW, SOON and FUTURE timeframe. This app allows for photos to be taken with annotated notes so that these can be shared with other professionals. Only Certified Living In Place Professional members in good standing have access to HASAC.
- ✓ The **Home Accessibility Team Specialist™ (HATS™)** Program – This new program is designed to help various professionals who work on home accessibility and safety project in a limited manner, but can help identify other key value-adding features to a client and to their company. These professionals work directly with CLIPP professionals.
- ✓ The **Living In Place Institute Recognized Products** List – LIPI has established criteria to help professionals and homeowners determine which products should be considered to help make the home environment easier to use and more accessible and safe. This program will be unveiled during the 2018 Design & Construction Week in Orlando at select manufacturers including Monogram, TOTO, HEWI, Hafele, QuickDrain, Garaventa Lifts and other companies.

TRAINING PROGRAMS RECOGNIZED BY INDUSTRY ASSOCIATIONS

Many of the programs of the Living In Place Institute have been CEU approved by a wide variety of trade associations, including:

- ✓ The National Association of the Remodeling Industry (NARI)
- ✓ The National Kitchen & Bath Association (NKBA)
- ✓ The American Society for Home Inspectors (ASHI)
- ✓ The Interior Design Continuing Education Council (IDCEC), consisting of:
 - The American Society of Interior Design (ASID)
 - The International Interior Design Association (IIDA)
 - Interior Designers of Canada (IDC)
- ✓ The American Occupational Therapy Association (AOTA) – The Living In Place Institute will submit appropriate documentation for OTs in states that don't honor AOTA's CEU program, as well as individual states for Physical Therapists.
- ✓ Self-reporting CEUs for the National Home Builders Association (NAHB), American Institute of Architects (AIA) and others.

EDUCATION PARTNERSHIPS

The Living In Place Institute has established Education Partnerships with a wide variety of trade associations and their independent chapters, along with product manufacturers and distributors of home products. These partnerships benefit everyone through exclusive association member training discounts and enhanced visibility of manufacturer's and distributor's products. Some of the Education Partnerships include:

- ✓ The National Association of the Remodeling Industry (NARI)
- ✓ The American Society of Home Inspectors (ASHI)
- ✓ National Kitchen & Bath Association Chapters
- ✓ Monogram, TOTO, Miele, Subzero Wolf, Ferguson Plumbing and other manufacturers

MEDIA APPEARANCES

The Living In Place Institute has authored many articles or been highlighted in numerous trade magazines and other publications. These include:

- ✓ Kitchen + Bath Business Magazine
- ✓ Kitchen & Bath Design News Magazine
- ✓ Remodeling Magazine
- ✓ Qualified Remodeler Magazine
