"Hello my name is _____. I am calling from the community of _____, and my family supports libraries. I respectfully request Senator or Assembly Member _____ approve the proposed \$50 million construction aid program and restore Governor Cuomo's cuts to library aid. Libraries should be fully funded, so an increase is needed. Our 280,000 Southern Tier residents deserve your support. Thank you for your continued efforts on behalf of our libraries.

The staff assistant will ask you for your Zip Code, and thank you for your time and efforts.

The call will take 30 seconds of your time. And you will not be required to say anymore than what is written above.
