

WALL OF DISTINCTION

OVERVIEW

The Rogers Public Education Foundation will host the sixth annual Wall of Distinction banquet in April to pay tribute to the special accomplishments of Rogers School District alumni, teachers, administrators, parents, and supportive community members.

The mission of the foundation is to promote and enhance the quality of education in our community by raising funds and distributing grants to teachers for additional materials or special classroom needs.

To further this mission, in 2012 the Rogers Public Education Foundation established a Wall of Distinction at both Rogers High School and Rogers Heritage High School. The Wall is located prominently outside the auditorium at each school. Glass engravings are placed on the walls recognizing the individuals, their connection to the Rogers School District, and their accomplishments. This year's honorees are retired Rogers Superintendent Dr. Janie Darr; retired educator and administrator Bonnie Grimes; former school business manager David Cauldwell; and Bob Crafton, a retired local businessman, a community activist, a former school board member, and one of the founders of the Rogers Public Education Foundation.

The 2017 Wall of Distinction honorees will be inducted April 20, 2017, at the awards banquet in the Pinnacle Ballroom at the Embassy Suites.
