## **Living Above the Battleground: Healing Our Dreams of Fear**

**Location: Unity Spiritual Center, Asbury, NJ 08802**

Join Gary and Cindy as they explain the non-dualistic teachings of *A Course in Miracles*, and what it means to live your life from “Above the Battleground” of the world, and return the mind to a condition of peace. All of your battles take place in the mind first, and then get projected out so that the battle is seen on the outside, in the world, where the ego (the separated, false self) wants to see it. Gary and Cindy will discuss methods of undoing the ego as taught in *A Course in Miracles*, and help you to recognize what it means to live your FULL Self, the Self you share with your Creator in reality. Learn how to turn dreams of fear into happy dreams, and bring healing to your personal life and all of your relationships.

There will also be a guided meditation for further deepening of the material, a question & answer session plus original songs performed by Cindy. Meet or reconnect with fellow Course students! This is an event you won't want to miss! We hope you will join us!

**Speaker Biographies:** **Gary R. Renard** is the best-selling author of *The Disappearance of the Universe*, *Your Immortal Reality*, *Love Has Forgotten No One* and *The Lifetimes When Jesus and Buddha Knew Each Other*. He was

born on the historic North Shore of Massachusetts. He became a successful professional guitar player, but during the harmonic convergence of 1987, he heard a calling and began to take his life in a

different direction. At the beginning of the 1990s, he moved to Maine, where he underwent a powerful spiritual awakening. As instructed, he slowly and carefully wrote **Disappearance** over a period of nine years. In the fall of 2003, after much encouragement from other speakers and students, Gary began to present talks and workshops in public. His speaking career took off, and today he lectures internationally. His books are now in 22 languages and growing. Combining a disarming sense of humor with radical, cutting-edge metaphysical information and experiential exercises, this acclaimed teacher of *A Course in Miracles* has been described as one of the most

interesting and courageous spiritual speakers in the world.

**Cindy Lora-Renard** is an international speaker on *A Course in Miracles*, and the author of *A Course in Health and Well-Being*. In addition, she is a visionary musical talent and spiritual life coach with a Master's Degree in Spiritual Psychology from the University of Santa Monica. She has been traveling the world with her husband, Gary Renard, in addition to her solo events, helping to introduce the teachings of *A Course in Miracles* to many countries. She uses her knowledge of *A Course in Miracles* as well as music and psychology as "healing" tools to help others awaken into the "higher" octaves of life.
