Hans has recruited Administrative Assistants, Accountants, Accounting Specialists, Contract Managers, Legal Administrative Assistants, and IT Specialis for the following clients while working for TripleNet Technologies: Sound Transit, Port of Seattle, City of Lynnwood ,WA DOT, King County, USAID, Community Transit, Nike, Boeing, Microsoft, Swedish Hospital, Pacific Software Publishing and Pacific Medical.

UW Certifications: <u>Technology Program Management</u>, VB Developer, Oracle Developer
SCC: Java, Advanced Java, C#, Active Directory Design and Implementation
Education: BA Business Administration, EWU
Awards: Northwest Minority Business Council Supplier of the Year for 2007.

Hans has strong knowledge of working with fast paced team oriented cultures. Since 2005, Hans has been

providing recruiting and temporary staffing services via TripleNet Technologies as a preferred staffing vendor for several large government and private clients. He finds that the key to success is finding candidates that can be diplomatic, self motivated, that can work in ambiguous situations, and have a desire to achieve results. This experience has resulted in the permanent placement of several candidates with our clients.
