Since 1986, the annual Chamber Golf Classic has been a favorite event among members. It's seen many changes through the years but some things remain the same. It's always a full and fun-filled day with great food and friendly competition. And it continues to reflect one of the Chamber's most important principles - bringing local business people together from all sizes and types of organizations to network, volunteer and enjoy each other's company while supporting the Chamber and it's mission.

We hope you'll consider staying or getting involved in this year's outing. Get a team together, become a sponsor, volunteer or just stop by for dinner and prizes. You'll be glad you did.

We hope to see you in May.
