

Specify your submission as a Letter to the Editor or Viewpoint

Note: The Rivertowns letter submission e-mail is for the same for all the papers. Letters sometimes don't get printed. Ask for an acknowledgement of receipt of your letter, and if yours doesn't get printed, call them directly. Specify which paper(s) you want your letter printed in or ask to have your letter printed in all the newspapers in the area. NOTE: The Rivertowns newspapers (River Falls Journal, Pierce County Herald, Hudson Star Observer, New Richmond News) are all owned by the same company, which "should" mean you have the option of submitting a 650-word *Viewpoint* column, if you wish. For direct submission to the *Hudson Star Observer*, e-mail Sarah Young snighbor@rivertowns.net Hudson Star Observer (submit by noon on Monday for printing in the follow week's newspaper). 350-word limit for letters to the editor; 650-word limit for *Viewpoint*. Sarah Young processes all letters to the editor.
