## WHAT'S BEEN HAPPENING AT CLEARWATER FOREST

The Clearwater Forest Board of Directors has been busy working through a visioning process and has completed a Balanced Scorecard activity which will help us focus our efforts to grow and remain vital in the lives of all who attend. We are excited to be partnering with new organizations and exploring how we can increase our camper and retreat guests while keeping our amazing activities and spiritual focus at the main center of all we do.

Additionally, the board will be reviewing plans at their December meeting which may renovate our dining hall and possibly add a third, year-round retreat center in the future.

The dining hall renovation will upgrade our existing kitchen with new hood/exhaust, new walk-in freezer/fridge, cabinetry/shelving, and a laundry facility for our linen services; create a fun and identifiable entrance/welcome space; add accessible bathrooms; an office suite/conference room; and renovate our current dining room with improved lighting and flooring. We were fortunate to have already replaced the septic and the majority of the windows with high efficiency windows that is already showing huge energy efficiency. We have already received over \$240,000 for this project through three major gifts. The board will be looking at a capital campaign plan that will also include an endowment component. Stay tuned in early 2018 for updates on this project.

Our program enhancements/facility upgrades have been profound this year. Through generous designated gifts and work projects, we have been able to add a hammock circle, complete the Soli Deo Gloria Worship Space, replace nine of our 1970's aluminum canoes, add a bouldering wall, add a new paddleboard to our fleet, renovation of Loon Point Shelter House, and most recently will be upgrading the furniture in Leaning Tree and Eagle living/dining rooms.

We are grateful for the continued support of our ministry through prayer, sending campers and retreat guests, congregational and individual gifts, and the partnership with our Presbyteries and Synod.
